ABOUT ME

Dedicated and skilled Civil Engineer with over 6 years of hands-on experience in executing and coordinating major infrastructure and petrochemical projects in India and Saudi Arabia. Strongly focused on site execution –ensuring timely progress, quality standards, and safety compliance. Experienced in managing daily construction activities, coordinating with subcontractors and teams, and resolving on-site challenges efficiently. Proficient in preparing method statements, handling material approvals, coordinating material delivery, and conducting inspections. Currently seeking a challenging role as a **Civil Engineer** in Saudi Arabia to lead and support successful project delivery.

WORK EXPERIENCE

SENDAN International Co. Ltd. – Jubail, KSA

12/2023 – 12/2024
