

SHOAIB NASIR

Civil Site Engineer

+966 562095808 @ sm3643122@gmail.com Riyadh, Saudi Arabia ☆ Nationality: Pakistani

SUMMARY

Highly focused and quality-driven Civil Engineer with proven experience in site supervision, QA/QC compliance, material testing, and technical documentation. Demonstrates expertise in civil construction works, BOQ estimation, method statements, and coordinating inspections under Gulf regulatory frameworks. Skilled in project execution from start to finish with proficiency in AutoCAD, Primavera P6, and other engineering software. Well-versed in Gulf construction protocols, HSE requirements, and consultant coordination, ensuring timely, compliant project delivery with minimal rework and high efficiency.

EXPERIENCE

06/2024 - 06/2025

Wazirabad, Pakistan

Civil Site Engineer

AA Building Contractor Company

Project: Mall One Wazirabad

Consultant: Axons Associates

Roles & Responsibilities

- Supervised daily site operations including structural, finishing, and civil works in compliance with approved drawings
- Inspected concrete casting, steel reinforcement, blockwork, and plastering in line with QA/QC protocols
- Prepared and maintained BOQ quantity take-offs, invoices, and progress reports on a weekly and monthly basis
- Drafted comprehensive method statements, ITPs, and documentation aligned with Gulf engineering codes
- Reviewed IFC and shop drawings, raised RFIs, and proposed practical solutions for technical conflicts
- Monitored and guided subcontractors to meet daily productivity targets and ensure compliance with specifications
- Coordinated with third-party labs for material testing (soil, concrete, steel) and ensured timely approvals
- Conducted pre- and post-work inspections to address non-conformance reports (NCRs) and corrective actions
- Assisted in project planning, material procurement schedules, and workforce deployment using Primavera P6
- Maintained detailed records for all inspections, test reports, and quality submissions for project handover
- Ensured complete adherence to HSE standards during execution of high-risk activities and site operations
- Participated in technical and coordination meetings with consultants and project managers to resolve site issues

EDUCATION

Lahore, Pakistan

Bachelor of Civil Engineering

Lahore Leads University

Gujranwala, Pakistan

Diploma of Associate Engineering (Civil)

Christian Technical Training Center College

EDUCATION

Gujranwala, Pakistan

Matriculation (Science)

The Pakistan English High School

CERTIFICATIONS

Surveyor's Certificate, Pakistan

Three-Year Diploma in Civil Engineering,
Pakistan

FINAL YEAR PROJECT

Evaluation of Silt Extraction Devices in the Irrigation System of Punjab, Pakistan

SKILLS

Engineering Software & Tools

- AutoCAD
- Primavera P6
- Revit
- E-Tab
- SAP2000
- SP Column

QA/QC & Project Control

- BOQ Estimation
- Inspection Test Plans (ITPs)
- Method Statements
- Non-Conformance Reports (NCRs)
- Corrective Action Requests (CARs)
- Site Inspections
- QA/QC Documentation
- Material Testing Coordination
- Consultant Coordination
- Technical Submittals & Approvals

Project Execution & Reporting

- Daily/Weekly/Monthly Progress Reports
- Subcontractor Management
- Invoicing & Billing
- Resource Allocation
- Site Activity Logs
- Project Scheduling

Productivity Tools

- Microsoft Word
- Microsoft Excel
- Microsoft PowerPoint
