

ISHFAQ AHMAD

I hold a Bachelor's degree in Civil Engineering from the European University of Lefke. Before graduation, I completed a summer internship at Simetri Construction Company, where I was later offered a full-time engineer position based on my performance. I continued working at Simetri while completing my degree, demonstrating strong time management and dedication. For the past year, I have been actively involved in project management, site supervision, and technical coordination, successfully managing various projects. As a proactive, detail-oriented, and results-driven engineer, I am eager to expand my experience on international projects and contribute to dynamic, collaborative teams.
