Tools:	Sql Server Management Studio, SSMS, My SQL, Tableau, Pentaho
Microsoft:	Power BI, SQL Server Data tools, SQL Server Jobs

Career Experience

Kavtech Solutions, Lahore,

Pakistan, August 2023 – April 2025

Senior Data Engineer

- Database Design and Management
- Data Integration
- Data Warehouse Management
- ETL (Extract Transform Load)
- Documentation and Knowledge Sharing
- Visualization and Reporting
- Performance Tuning and Scalability

Ibex Global, Lahore,

Pakistan, January 2022 – July 2023

Software Engineer Database Developer

- Database Design: Designing and creating efficient and scalable database structures that meet the requirements of the software application or system. This involves understanding the data needs, organizing tables, defining relationships, and optimizing for performance.
- Database Development: Implementing the database design by writing SQL queries, stored procedures, functions, triggers, and other database objects. This includes creating, modifying, and maintaining the database schema.

- **Data Modeling:** Analyzing and modeling data to ensure the database design supports the application's data storage and retrieval requirements. This involves identifying entities, attributes, and relationships and translating them into a logical data model.
- **Query Optimization:** Analyzing and optimizing SQL queries to improve their performance and efficiency. This includes understanding query execution plans, indexing strategies, and implementing query tuning techniques.
- **Data Integration:** Integrating the database with other systems or applications. This involves designing and implementing data import/export processes, data synchronization, and integration interfaces.
- **Data Security and Privacy:** Implementing security measures to protect sensitive data stored in the database. This includes ensuring appropriate user access controls, data encryption, and compliance with relevant data protection regulations.
- **Database Administration:** Performing routine database maintenance tasks such as backups, restores, and monitoring performance metrics. This also involves troubleshooting and resolving database-related issues, managing database users and permissions, and ensuring data integrity.
- **Collaboration:** Collaborating with software developers, system administrators, and other stakeholders to understand requirements, resolve database-related issues, and optimize data access and storage.
- **Documentation:** Documenting the database design, schema changes, and other relevant information. This helps maintain a clear record of the database structure and facilitates collaboration with other team members.
- **Continuous Learning:** Staying updated with the latest database technologies, trends, and best practices. This includes exploring new tools, frameworks, and methodologies to improve database development processes and performance.

Blue Envison , Rawalpindi

Pakistan June –July 2023

Intern – Trainee Engineer

Shadowed senior developers in developing, testing, improving, and maintaining new and existing databases to help users retrieve data effectively

Established strong coordination with the IT team and developers in making system consistency

Determine user's needs, while securing information, monitoring database performance, and providing support to organize and save data

Responsibilities

As an intern shadowing Database Developers, my responsibilities were to learn:

- Database Design Structured Query Language DDL/DML/DRL/TCL/DCL/CONSTRAINTS
- Inline-Query/Sub-Query/Dynamic Query Creation/Correlated Sub-Query
- Database Objects Creation Tables/Stored Procedures/Views /Functions/Triggers
- Performance Optimization/Tuning Indexing Clustered Index / Non clustered index
- Trouble Shooting
- Oracle forms Oracle reports
- ETL
- Unit Testing
- Management of database objects

- **Project Experience**

- Online Scholarship management system | Final Year

Project June 2020 – July 2021

- Tools: ASP.NET, MS SQL
- Played an integral role in initiating web-based and desktop applications by designing and developing desktop applications and databases management transaction control
- Catered to three types of users, including admin to control software, student with control of scholarships availability and apply data, and third category to perform transactions and store Students data Ensured complete consistency between desktop application and website
- Saved user time to calculate merit and scholarships eligibility and keep the record all data, including employee information by storing all the transactions and all the records on the back-end

- **Education**

- Bachelor of Science in Software Engineering , Mirpur University of Science and Technology, Mirpur Azad Jammu&Kashmir, 2017–2021 (2.9CGPA) FSC Pre-Engineering, Punjab College of IT Rawalpindi, Pakistan, 2015-2017(Grade A)
- O Levels SSTPSR, Sindh Pakistan

TO WHOM IT MAY CONCERN

This is to certify that **Haider Mumtaz Khan S/O Mumtaz Hussain Khan** was employed by Kavtech Solutions (private) Ltd. As a Full time Software Engineer from **15 August 2023 to 15th April 2025**. During this period , he worked 40hrs per week.

During his employment at Kavtech Solutions **Mr Haider** become a lead member of the Data Engineering Team. His duties were to make sure team cordination and timely delivery of assigned tasks and achieving milestones using his professional skills.

Haider joined us as an intern and in a period of almost 2 years He has been promoted twice that shows how valueable he was to the company.

Mr Haider has always rendered his services with highest degree of responsibility and professionalism We wish him all the best in his future endeavours.

Sincerely,

Najam Khan
Manager HR
Human Resurces Depertment

TO WHOM IT MAY CONCERN

This is to certify that Haider Mumtaz Khan, employee ID 1099, son of Mumtaz Hussain Khan, holder of CNIC 82303-7333013-1, is a valued member of our team at Kavtech Solutions (Private) Ltd. He currently serves as a Data Engineer in the Data Management Department.

As a permanent employee, Haider joined our company on August 15, 2023. As of today, he has spent 1 year and 1 month with us. During this time, he has exhibited professionalism, technical expertise, and a strong commitment to delivering high-quality work. His contributions to data engineering and his ability to work with different platforms continue to enhance our data management processes and overall organizational effectiveness.

Haider consistently demonstrates strong analytical skills, problem-solving abilities, and dedication to meeting project deadlines. His expertise in data warehousing, engineering, and cloud computing remains an asset to our team.

We look forward to his continued contributions and success at Kavtech Solutions.

Sincerely,

Najam Khan,
Manager HR,
Human Resources Department.

TO WHOM IT MAY CONCERN

This letter serves as a reference for Haider Mumtaz Khan, who has served as a Data Engineer in the Data Management Department at Kavtech Solutions (Private) Ltd. since August 15, 2023. For 1 year and nearly 3 months, Haider has proven to be an invaluable asset to our team, displaying exemplary skills and a deep commitment to his work.

Haider consistently demonstrates strong analytical skills and problem-solving abilities, which have greatly contributed to our data management initiatives. He has been particularly effective in creating, maintaining, and optimizing data ETL pipelines, which streamlined our data processing. Additionally, his proficiency in data visualization using Tableau has helped us make complex data more accessible and actionable, which has improved decision-making across departments.

One of Haider's greatest strengths is his dedication to excellence. He consistently meets project deadlines and strives to deliver work of the highest quality. His expertise in data warehousing, engineering, and cloud computing has proven to be a major asset, not only to our team but also to the broader organization.

We are confident that Haider will bring the same level of professionalism, technical expertise, and dedication to any future role he undertakes. His contributions have had a lasting impact on our team, and he would be a tremendous asset to any organization.

Please feel free to reach out if further information is needed regarding Haider's qualifications and contributions.

Sincerely,

Najam Khan

Department of Software Engineering

Recommendation Letter

I am pleased to recommend **Mr. Haider Mumtaz Khan** for admission in master's program. As an instructor at the Software Engineering Department, Mirpur University of Science & Technology, Mirpur, Azad Kashmir I have taught him core courses such as Discrete Structures, Operating Systems and Software Design and Architecture. I have watched him develop both academically and personally into a bright, energetic, and self-motivated individual.

As an undergrad student of the academic session 2017 - 2021, he has been one of the good students of the class. I have found him to be a hardworking, dedicated, and intelligent student. I appreciate his aptitude for learning and self-motivation towards research work.

Other than the teacher-student relation, I have also known him as a person. He possesses good communication & inter-personal skills. Combining these traits with his professional skills and attitude, I can discern a capable researcher in him.

I found him an ambitious and career conscious person who knows how to apply acquired skills and knowledge to real life problems. He is a motivated and highly committed team player with good technical domain knowledge. It is my conviction that his natural aptitude towards research, ability to work independently and hardworking nature will get him good opportunities in future.

I strongly recommend him.

IGCSE

Syllabus	Syllabus Title	Result
0448	Pakistan Studies	A(a)
0500	First Language English	D(d)
0580	Mathematics	B(b)
0610	Biology	B(b)
0620	Chemistry	B(b)
0625	Physics	B(b)

Explanatory Notes

This statement of results is not a certificate. Cambridge International Examinations reserves the right to amend the information on this statement. Results will be confirmed by the issue of certificates.

International General Certificate of Secondary Education (IGCSE) results are reported on an 8-point scale of grades: A*(a*), A(a), B(b), C(c), D(d), E(e), F(f) or G(g), grade A*(a*) being the highest and grade G(g) the lowest. UNGRADED indicates a standard below that required for grade G(g).

General Certificate of Education Ordinary Level (GCE O Level) results are reported on a 6-point scale of grades: A*(a*), A(a), B(b), C(c), D(d) or E(e), grade A*(a*) being the highest and grade E(e) the lowest. UNGRADED indicates a standard below that required for grade E(e).

NO RESULT indicates that a result cannot be issued because of absence for the whole or part of the examination in the syllabus or because of a decision not to issue a result for some other reason.

PENDING indicates that a result cannot be issued at present but will follow in due course.

TO BE ISSUED indicates that the results will be awarded in the next series.

In some IGCSE syllabuses Oral/Aural (Speaking & Listening) communication is reported separately on a 5-point numerical scale, grade 1(ONE) being the highest and grade 5(FIVE) the lowest. Candidates who fail to reach the minimum standard for grade 5(FIVE) will not receive an Oral/Aural (Speaking & Listening) communication endorsement. The endorsement grade for Oral/Aural (Speaking & Listening) communication will be reported on IGCSE certificates provided the overall IGCSE syllabus result is grade G(g) or higher.

For English as a Second Language 0510 and 0526 the Oral/Aural is compulsory and is reported separately. For English as a Second Language 0511 the Oral/Aural is compulsory but is not reported separately.

For First Language syllabuses and Afrikaans as a Second Language, Speaking & Listening is optional and is reported separately. For First Language English 0522 the Speaking & Listening is compulsory but is not reported separately.

Only grades A*(a*) to G(g) achieved in IGCSE syllabuses will be reported on certificates.

Only grades A*(a*) to E(e) achieved in GCE O Level syllabuses will be reported on certificates.
