## ABOUT ME

Motivated and detail oriented graduate with a background in architecture, project coordination, and hands-on site experience.

I have worked as a site foreman and have practical expertise in concrete works, formwork, landscaping, and general site supervision. I am passionate about building a career in Middle East and contributing to impactful projects in construction and infrastructure.

I am currently enrolled in an online German language lessons, progressing at A2 level. Also, I am eager to apply both my technical and practical skills in dynamic, multicultural environments.
