

Abdulsalam Ibrahim Khalilo

Senior Civil Engineer Expert, Project Manager, Construction Manager

Mob. +966-555331240 E-Mail : Engabdsalam@gmail.com / Engrabdsalam@outlook.com

LinkedIn/www.linkedin.com/in/abdulsalam-ibrahim-kh-342aa9101

Dynamic and results-driven project management professional with 29 years of comprehensive experience across a diverse range of projects, including infrastructure, towers, hotels, and buildings. Proven expertise in leading projects across multiple countries and cultures—including Saudi Arabia, the UAE, Djibouti, and Syria—demonstrating adaptability and a global perspective.

My passion for project success, combined with a collaborative leadership style, enables me to thrive in complex and multicultural environments.

Adept at streamlining operations, optimizing resource utilization, and driving cost efficiencies, I am committed to delivering exceptional results that align with organizational goals.

I leverage strong teamwork and strategic problem-solving skills to ensure project completion on time, within scope, and beyond expectations.

PROFESSIONAL SUMMARY

Skills

- Interpersonal Communication/Effective communic. & leadership abilities
- Negotiation Essential Strategies
- Conflict Management
- Risk Management
- Project Planning
- Problem Solving
- Continuous Improvement
- Project Coordination
- Team Motivation
- Teamwork
- Consulting
- Budgeting
- Project manager supervision
- Project oversight
- Project supervision procedures
- Project hand over –T/C plans
- Project HSE plan and procedures
- Engineering Design Management
- Implementation of design changes
- Contract and Control Management
- Project forecasting and monitoring
- Request for Proposal-preparation
- Value Engineering
- Bim Coordinator
- Work-method of statements
- Technical / Field Coordination
- QA & QC Management Plan
- AutoCAD: Very good
- MS Office: Very good
- Primavera: Good
- Proficient in using civil engineering software and tools
- In-depth knowledge of civil engineering principles, codes, and regulations

WORK HISTORY

1 – Company: WEBUILD S.P.A

The Clint: NEOM

Management & Consultant: Bechtel
