

RAMY AHMED

SURVEYOR

Personal information

Birthdate
21/01/1999

Residence
Alexandria, Egypt

Marital status
Engaged

Motivation

I successfully contributed in a variety of surveying projects. My role involved utilizing advanced surveying technology such as GPS, total stations, and CAD software to deliver accurate and timely results. I take pride in my ability to collaborate with project managers, architects, and contractors to ensure that all specifications and deadlines are met.
