## **Position applied for...HSE Manager**

Dear Sir/Madam

**This is with reference to your advertisement for the subject position that I am prompted to propose my candidature.**

My resume is enclosed for your review and consideration. To describe myself in a nutshell, I am hardworking; ready to take up any challenge of life abreast with the latest trends and a team player with excellent communication skills. Competent, diligent and result oriented professional with **15 years** of experience across **coordinating various safety programs, conducting safety inspections, accident investigations, and safety training**; Presently spearheading efforts with **Richmond Group as HSE TRAINER**.

Highly competent and qualified safety management professional with expertise in the areas of Industrial Safety, Health, Environment and capable of providing Total Safety Solution, mapping safety needs, establishing effective environment, Health and safety management systems, conducting EHS Training.

I possess extensive experience of developing and implementing Safety Policies, Safety plan, Safe Working Procedures, conduct Safety Audits, advice Proper Safety Appliances for critical jobs, Safety Promotional Programme and Safety Training to different categories of workers and employees.

Dedicated and focused individual, determined to add value to the organization I work for, through my exceptional knowledge and learning ability. Possess well developed communication skills with reputation of unwavering accuracy, credibility and integrity.

The above credentials along with my enclosed resume make me ideally suitable for a position in your organization. I would appreciate an opportunity for a personal interview.

Thanking you,  
Yours sincerely

**Md. Moazzam Shamshi**  
**M- 9546312659**
