Arabic

## WORK EXPERIENCE

**CIVIL SITE ENGINEER, BUNA AL JAZEERA CONTRACTING COMPANY, Riyadh**

Jan 2023 - Feb 2025

Monitor and manage day-to-day activities at the construction site to ensure smooth operations. Ensure construction progresses in accordance with approved drawings, specifications, and project timelines. Supervise laborers and subcontractors, ensuring high-quality workmanship and adherence to standards. Read, interpret, and implement structural and architectural drawings accurately on-site. Verify execution of works aligns with technical designs and contractual requirements. Assist in planning and scheduling of project activities, including resource allocation and timeline management. Coordinate timely delivery and proper utilization of materials to avoid delays and ensure work continuity. Conduct routine site inspections to assess material quality and construction methods. Ensure compliance with legal, environmental, and safety standards across all site operations. Liaise and coordinate effectively with contractors, consultants, suppliers, and clients. Provide regular updates and report project progress and challenges to the Project Manager. Enforce on-site safety regulations and maintain a clean and organized work environment. Identify and resolve potential safety risks or hazards promptly. Verify delivered materials against purchase orders and ensure they meet required specifications. Minimize material wastage and oversee proper storage and handling procedures.

**Civil Draftsman, HEROES ARCHITECTS & ENGINEERS**

Dec 2021 - Oct 2022

- Used computer-aided drafting (CAD) to create construction drawings.
- Supported design team in managing workload and deadlines to ensure project completion within schedule and budget.
- Foster and maintain strong relationships with clients while providing innovative ideas regarding space planning, layout, use of furnishings, and colour coordination in accordance with their visions.
- Created drawings for construction projects.
- Draw topographical and relief maps to aid construction workers and architects.
- Create visual guidelines for construction purposes.
- Draft technical details.
- Specify dimensions, materials, and procedures.
- Draw in minute details of structures.

**Civil Engineer, LARSEN & TOUBRO**

Jan 2019 - Oct 2021

- Coordinate and direct the activities of workers, subcontractors, and suppliers, and are responsible for ensuring compliance with safety regulations, building codes, and project specifications.
- Assist in overseeing day-to-day construction activities on-site.
- Monitor and inspect the quality of materials and workmanship to ensure compliance with standards and specifications.
- Interpret technical drawings and specifications.
