

Youssif Ahmed

Electrical Engineer

youssuoy9@gmail.com | +971 54 252 5808 | Abu Dhabi, UAE

Summary

Electrical Engineer with 2 years of experience supporting multidisciplinary design teams on MEP and infrastructure projects. Skilled in Revit, project documentation, and site support, with a strong interest in sustainable energy systems and collaborative delivery.

Experience

Technical Engineer Elsewedy Industries Group (Jan 2025 - Present)

- Support electrical package coordination for design-build projects.
- Review layouts, cable schedules, and system documentation.
- Contribute to sustainable design and load optimization studies.
- Participate in BIM coordination and clash resolution meetings.

Junior Electrical Engineer Sunny Technologies (Apr 2024 - Dec 2024)

- Assisted with electrical drawings and submittals.
- Prepared reports for healthcare and education projects.
- Reviewed specs for lighting and power systems.
- Worked with internal and client teams to meet project goals.

Education

M.Eng in Mechatronics Engineering - University of Nottingham (2019 - 2023)

Skills

MEP Coordination	Revit/AutoCad Modeling	BIM Tools
Electrical Layouts	Load Calculations	Project Management
Process Streamlining	Client Support	Report Writing
System Reviews	Team Collaboration	Sustainable Design

Certifications

- Certified Associate in Project Management (CAPM) - PMI
- Certificate in Building Information Modelling (BIM) Project Management - RICS
- Level 3 Information Manager ISO - 19650 Expert
- Forward Program - McKinsey & Company

Additional Information

- Fluent in English and Arabic
- UAE Driver License
- 10-Year UAE Golden Visa
- Open to relocation Internationally
