SUMMARY

I am a Civil engineer with a membership in the Egyptian Syndicate of Engineers and a member of the Saudi Council of Engineers.

I have more than 7 years of Experience in Egypt and the Kingdom of Saudi Arabia. I have extensive experience at construction sites (Hotel and residential towers, landscaping, Utilities buildings & Infrastructure).

Besides my site work experience, I have in parallel good experience in office work (computer skills, Shop drawings, Quantity Survey, Invoices, RFIs, As-built drawings).

Also, I am self-confident and have leadership skills.

CAREER OBJECTIVE

My ambition is to have a leading role in major and challenging construction projects at highly professional companies.
