📍 Saudi Arabia

## SUMMARY

---

I aspire to be part of a collaborative work environment where I can leverage my qualifications and skills in the field of technology to contribute effectively to development and innovation. I also have experience in performing administrative tasks and managing supervised responsibilities efficiently.

## EDUCATION

---

University Of Tabuk

Bachelor's Degree in Information Technology | GPA of 4.54/5 | Second Honor | 2020-2024

## EXPERIENCE

---

### Graduation project : Smart Assistance System for the Blind

Developed a deep learning-based system to assist blind individuals. Achieved an accuracy rate of 92% using a custom dataset and neural network architecture.

2023-2024

### Cooperative training

Remote training at Cisco Academy involving:

- Basics of Java programming
- Introduction to IoT technologies
- Fundamentals of network defense (Spirani Security Program)

2024

## COURSES

---

- PCAP: Programming Essentials in Python 1&2 | Cisco Networking Academy | 30 Hours | 2024
- Network Defense | Cisco Networking Academy | 27 Hours | 2024
- Introduction in IOT | Cisco Networking Academy | 20 Hours | 2024
- Introduction To Cybersecurity | Cisco Networking Academy | 15 Hours | 2024
- Building and developing web applications using Angular | Tuwaiq Academy | 60 Hours | 2024
- Spirani security capacity-building camp | Attaa Digital & Neom | 20 Hours | 2021
- Professional Certificate Information Security Analyst | IBM | 2024

## TECHNICAL SKILLS

---

- Programming: Java, JavaScript, C, Python
- Web Development: HTML, CSS, Bootstrap
- Databases: MySQL, SQL Server
- Design Tools: Canva, Axure
- Network Security: Wireshark
- Data Analysis: Microsoft Excel
- Productivity: Microsoft Office Suite

## SOFT SKILLS

---

- Strong communication skills
- Leadership
- Problem-solving
- Time management
- Teamwork and cooperation
- Interpersonal skills
- Flexibility and adaptability
- Research and writing

## LANGUAGES

---

- Arabic: Native
- English: Proficient
