PROFESSIONAL EXPERIENCE

Senior Civil Engineer

Modern Building Leaders (MBL) – Riyadh, Saudi Arabia | May 2023 – Present

Projects: King Salman Park, Al Diriyah Farm & B05– Private Farm, Riyadh, Saudi Arabia

- Supervise and coordinate site activities for architectural finishes and interior fit-out works as per project specifications and quality standards.
- Review and interpret construction/shop drawings and resolve discrepancies in coordination with consultants.
- Manage subcontractors and labor teams to meet deadlines, quality benchmarks, and safety compliance.
- Conduct inspections and snagging for partitions, ceilings, flooring, joinery, painting, and MEP final fix.
- Coordinate with procurement, planning, and QA/QC teams to ensure material availability and schedule adherence.

Project Engineer

Medtel WN WLL – Doha, Qatar | Sep 2019 – Feb 2023

Projects: Al Thumama Stadium, Al Bayt Stadium & Qatar Petroleum District Tower 10, Doha, Qatar

- Directed end-to-end fit-out execution ensuring compliance with design and quality standards.
- Coordinated with clients, consultants, and subcontractors for approvals and design clarifications.
- Prepared project schedules, tracked material submittals, and monitored progress.

- Monitored site execution, conducted inspections, and ensured adherence to HSE protocols.
- Resolved technical issues on-site and ensured timely handover with snag-free completion.

Civil Project Engineer

Ahmed Khamis Al Mawali Trad. – Muscat, Oman | Dec 2016 – Dec 2018

Projects: Residential Villa Projects – Oman

- Managed structural and finishing works for multiple luxury/residential villa projects.
- Ensured quality and timely delivery as per design standards.
- Monitored site progress, resolved technical issues and ensured compliance with safety and local building codes.
- Oversaw material planning, procurement follow-up and subcontractor scheduling to avoid project delays.
- Handled client interactions, site inspections, snagging and ensured smooth handover of completed villas.

Site Engineer

Shriram EPC Ltd. – Chennai, India | Dec 2014 – Oct 2016

Projects: Srinivasa Apartment Project – Chennai, India

- Supervised structural and finishing works for multi-storey apartments.
- Managed foremen, laborers, and subcontractors ensuring compliance with drawings.
- Conducted daily toolbox talks and maintained safety standards.
- Prepared daily progress reports, material requests, and participated in planning and review meetings.
- Collaborated with electrical and mechanical engineers to resolve site-level coordination issues.

Finishing Supervisor

Larsen & Toubro Ltd. – Hyderabad, India | Sep 2013 – Nov 2014

Projects: Hyderabad Metro Train Project – Uppal Depot – Hyderabad, India

- Supervised site finishing activities including plastering, tiling, painting, and ceilings.
- Reported daily manpower deployment and work progress to the Site Engineer for monitoring and planning.
- Coordinated with QA/QC for inspections and quality approvals.
- Prepared highlighted drawings indicating subcontractor work for billing and documentation purposes.
