

AHMED SOBHY ELSAEED ELHAWARY

Address: Saudi Arabia.

Mobile phone: +966539250958

E-Mail: ahmed.sobhy.elhawary25@gmail.com

Career Objective:

A highly skilled and accomplished Construction Engineer with a deep understanding of Building Construction Engineering and Projects Management, derived from a B.Sc. degree from **Al-Azhar University**.

I have successfully gained **2+ years** of invaluable experience in the field, overseeing and supervising multiple construction projects. My expertise spans across various areas, including **Construction, Finishing, Material, Quantity Surveyor, and Subcontractor coordination**. Through my extensive hands-on experience, I have honed my abilities to effectively manage construction sites, ensuring adherence to quality standards, timelines, and budget constraints. Now, I am eagerly seeking a challenging opportunity within a reputable company where I can leverage my skills, experience, and academic background. By implementing and utilizing my knowledge, I am dedicated to contributing towards the advancement of the company. I am confident that my expertise and commitment will drive the company to new heights of success in my role
