- AutoCAD 2d
- GIS PRO
- excel
- Civil 3d
- Google Earth
- Word
- GIS
- Sokkia link

SURVEYING EQUIPMENT

- level
- Total station (sokkia - Topcon)
- Gps (sokkia – Topcon)

Professional Skills

- Driving license
- SCE membership
- Technical skills
- logical thinking
- measuring wheels
- collaborating
- verbal communication
- travelling to sites
- Attention to detail
- Communication
- Time Management
- Mathematical calculations
- Calculations
- Research
- Contours map
- Design section
- problem-solving
- leadership
- Teamwork
- Accuracy
- Ability to work independently
- Preparing reports
- Consulting

Hard Skills

- Gis
- Design process
- AutoCAD
- Geographic information system
- Plumb bobs
- Analyzing Data
- Performing mathematical calculations
- Geomatics
- meticulous
- analytical skills
- conduct land surveys
- Electronic surveying
- Legal documents
- Geophysics

Training and courses:

- 2017 | IC3 digital literacy certification from certiport.
- 2017 | Certificate AutoCAD 2d programs from ilearn academy.
- 2016 | Certificate survey update office from survey office Tanta.

language

- Arabic (Mother tongue)
- English (Fluent)
