

ABDELRAHMAN OSMAN ABOUKHALYA

Civil Engineer

PERSONAL DETAILS

Riyadh, Kingdom of Saudi Arabia Riyadh
eng.abdulrahman95@gmail.com, +966549 914 810
Date of birth: April 1, 1995
Nationality: Egyptian

PROFILE

Civil Engineer with more than 5 years and above of professional experience in site supervision, infrastructure projects, and technical office engineering across Egypt and Saudi Arabia. Experienced in managing different project phases, from planning and execution to final handover, ensuring compliance with quality standards, safety regulations, and technical specifications. Skilled in coordinating with consultants, contractors, and multidisciplinary teams to achieve project goals efficiently. Proficient in AutoCAD, SAP2000, and MS Office, with strong abilities in problem-solving, reporting, and project documentation. Known for adaptability, attention to detail, and the ability to work effectively under pressure while delivering projects on time and within budget.

EDUCATION

Bachelor of Civil Engineering – 2020
Higher Institute for Engineering and Technology, Kafrelsheikh, Egypt
Professional Trainings & Courses:

- AutoCAD (2D Drafting) Office Applications
- (Word, Excel, PowerPoint)
- Professional Site Engineer Certificate
