About 7 Years of Professional
Experience in Field of Electrical
Engineering

Valid KSA Driving License.

Dear Sir / Madam,

With great willingness, I am applying for the position of **Site Engineer Electrical** as advertised. I believe that my education, skill-set and experience make me a suitable candidate for this vacancy.

I am a highly organized and self-driven individual, passionate about developing my career in the field of Electrical Engineering.

Possessing more than 5 years of experience of working as **Site Engineer Electrical** in different projects with multiple companies, I have gained an extensive insight within this field.

My previous position was **Project Engineer** at **Electrical and Power Contracting Co. in Qiddiya Project at Saudi Arabia** in where I am working in the capacity of Project Engineer Electrical; I am responsible for leading a team and carrying out a wide range of multiple activities. During the course of my career, I have gained a specialist's understanding instruments and also been effective in explaining complex information in a comprehensible manner.

As a Certified Engineer from **Saudi Council of Engineers (SCE)**, I am an accomplished communicator, with excellent organizational, decision making, and time management skills and have a proven track record of consistently meeting and regularly surpassing demanding performance goals with a **Valid KSA Driving License.**

Proactive, innovative and highly influential, I am seeking a challenging but rewarding position, which is why I was naturally drawn to this exciting opportunity.

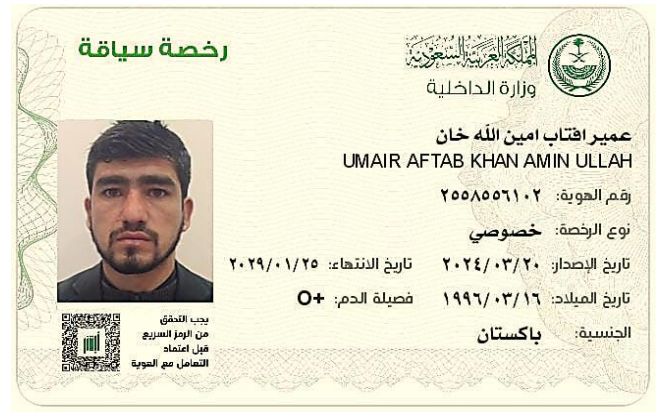

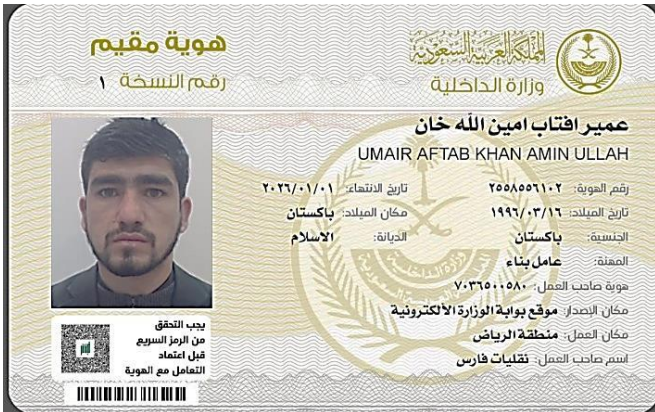

Yours sincerely,

Umair Aftab Khan
