Professional Summary

As a local content specialist in the Kingdom, I have solid knowledge of the Saudi Local Content General Assembly (LCGPA) regulations and requirements. I have experience in supplier management, compliance reporting, and ensuring alignment with government initiatives to maximize local value. I have extensive experience in supply chain, procurement, contractor relations, and contributing to achieving the required percentage of local content.

Work Experience

- 1- **Local Content Officer** - Yuksel insaat saudia Company – Riyadh, Saudi Arabia (2024– Present)
 - . Prepared and submitted Local Content reports in compliance with LCGPA requirements.
 - . Coordinated with suppliers and contractors to ensure accurate reporting of local vs. imported materials.
 - . Supported procurement team in sourcing local vendors and increasing in-kingdom value add (IKVA).
 - . Conducted follow-ups with consultants for Material Inspection Requests (MIR) and site verifications.
 - . Assisted in preparing detailed reports for management regarding local content performance.
 - . Responsible for coordination with accredited offices under the Local Content Authority
- 2- **Auditor** - Al-Waseet Electrical Appliances Company – Zagazig, Egypt (2018 – 2022)
 - . Conducted financial audits and periodic account reviews.
 - . Monitored accounting entries to ensure compliance with financial procedures.
- 3- **Procurement Specialist** – Al-Ghazawi Trading Company, Egypt (2012 – 2017)
 - . Evaluated and negotiated with suppliers.
 - . Maintained supplier database records, including local manufacturers and service providers.
 - . Coordinated with the Finance Department to reconcile the Statement of Accounts (SOA).
