🚗 valid driving license

👤 ABOUT

Dedicated and certified Health and Safety Supervisor with extensive experience in occupational safety, risk assessment, and incident prevention across construction and industrial environments. Skilled in managing confined space operations, handling toxic and hazardous gases—including carbon monoxide—and implementing OSHA and IOSH safety standards. Possesses strong leadership qualities, effective communication, and the ability to thrive under pressure. Known for teamwork, resilience, and a results-driven approach to ensuring workplace safety and compliance. Holds multiple international certifications and maintains a valid driving license for on-site supervision needs.
