Professional Summary

Recently graduated Mechanical Engineer specialized in Applied Manufacturing Engineering, with brief hands-on experience in production within a fabrication shop in the field of piping and supervision of Saudi technicians in Aramco projects. Looking for a position where I can contribute to team success while expanding my technical and project management skills.

Education

Bachelor's Degree in Applied Manufacturing Engineering

Department of Mechanical Engineering, College of Technology at Dammam — Dammam, Saudi Arabia

Graduated: 2024 | GPA: 4.78 / 5.0 — First Class Honors

Diploma in Mechanical Production

College of Technology at Dammam — Dammam, Saudi Arabia

Graduated: 2022 | GPA: 4.77 / 5.0 — First Class Honors

Work Experience

Mechanical Engineer

Al-Rushaid Construction Co. Ltd — Al Khobar, Saudi Arabia

Oct 27, 2024 – Jun 30, 2025

- Monitored production processes and coordinated with supervisors to resolve technical issues.
- Used AutoCAD to mark and clarify drawings for better understanding by technicians.
- Supervised Saudi technicians and delegated daily tasks to ensure smooth workflow.
- Communicated with managers to report on production progress and operational updates.

Co-op Trainee – Production

Cameron Al-Rushaid — Dammam, Saudi Arabia

Jan 2022 – May 2022

- Programmed and operated CNC machines for production tasks.
 - Interpreted engineering drawings and ensured accurate implementation.
 - Inspected finished parts to verify quality before final approval.
 - Prepared and submitted daily reports to supervisors.
