PROFESSIONAL SUMMARY

PMP®-certified Project Manager with an engineering background, skilled in leading construction, expansion, and facility projects.

EDUCATION

- **Midocean University, Dubai, United Arab Emirates**
Master's Degree in Business Administration (MBA) | 2024.
- **Buraydah Colleges, Buraydah, Saudi Arabia**
Bachelor's Degree in Electrical Engineering | 2021.

EXPERIENCE

Americana Restaurants - Project Engineer | July 2025 – Present

- Directing large-scale facility improvement and expansion projects across 300+ restaurant locations (Hardee's, KFC, Pizza Hut, Krispy Kreme, TGI Friday's).
- Leading a team of 60+ technicians and contractors to deliver projects within scope, budget, and timeline.
- Coordinating with vendors and stakeholders to ensure compliance with quality and safety standards.
- Utilizing CMMS tools to monitor project milestones, costs, and performance.

◆ **Half Million – Project Engineer | Jun 2024 – Jul 2025**

- Managed new branch openings, factory construction, and renovation projects across 80+ branches, 3 factories, and 7 warehouses.
- Oversaw project budgets, timelines, and contractor performance to ensure successful delivery.
- Implemented CMMS system enhancements to improve project tracking and reporting.
- Recruited and led a multidisciplinary team of 52 technicians and engineers to execute multiple projects simultaneously.

◆ **Alwatania Poultry – Project & Maintenance Engineer | Apr 2022 – May 2024**

- Contributed to the design and project management of the largest refrigeration station in the Middle East.
- Delivered automation projects for pumps and motors, improving efficiency and reducing downtime.
- Played a key role in achieving international certifications (BRC, HACCP) by aligning projects with global standards.
- Led a team of 20 technicians to execute projects in water treatment, boilers, and refrigeration systems.

◆ **Nagi Water Company – Electrical Project Engineer | Jan 2021 – Aug 2021**

- Executed production line improvement projects by implementing predictive and preventive maintenance strategies.
- Designed and delivered innovative electrical solutions to increase production efficiency and reduce costs.
- Supported cross-functional project teams in achieving company production targets.

SKILLS

Project Management Skills

- Project Planning & Scheduling (Primavera, MS Project).
- Budgeting & Cost Control.
- Risk Management & Quality Assurance.
- Stakeholder & Vendor Management.
- Team Leadership & Cross-Functional Coordination.
- Contract Negotiation & Procurement.
- Reporting & Dashboard Development.
- CMMS & SAP Systems (for project tracking).

Engineering & Technical Skills

- Electrical Engineering Design & Analysis.
- Automation Systems (PLC, SCADA, HMI).
- Facility & Utility Projects (HVAC, Power, Low Current).
- Process Improvement & Efficiency Projects.

CERTIFICATIONS

- CMRP® Certified Maintenance and Reliability Professional
- PMP® Project Management Professional (PMP)®
- Certified Siemens (PLC - SCADA - HMI) Professional

LANGUAGES

- Arabic – English.
