A professional general surveyor with over 9 years of experience in executing road, infrastructure, landscaping, and large-scale construction projects. I have advanced skills in managing all aspects of surveying work, from field measurements to implementing engineering designs. Throughout my career, I have contributed to major projects such as King Salman Park in Medina, the Olympic City project in the New Administrative Capital, and the 24 Axis Extension in Fifth Settlement. I am known for my accuracy, problem-solving abilities, and ensuring the highest engineering standards in project execution.

## Education

2016

### Modern Institute for Computer Technology and Languages

Surveying and Mapping

GPA: Very Good

## Work History

2023 - Current

### General Surveyor

Advanced Contracting and Maintenance Company, Medina

## Courses

---

- Training on surveying devices and software from the Engineering Survey Office in Zagazig.
- Surveying course from the International Academy.
- Proficient in Total Station, Level, GPS, Excel, Civil 3D, AutoCAD, and Sokia Link.

## Skills

---

### Professional Skills

- Road and infrastructure project execution
- Surveying equipment proficiency
- Fieldwork management
- Landscaping
- Project monitoring and reporting

### Personal Skills

- Teamwork
- Effective communication
- Time management
- Decision-making
- Attention to detail

### **Technical Skills**

- AutoCAD
- Civil 3D
- Total Station
- GPS Equipment
- Level Devices

### **Languages**

---

- Arabic: Native
- English: Good

### **Additional Information**

---

- Date of Birth: 30/8/1995
- Nationality: Egyptian
- Place of Birth: Mit Ghamr, Dakahlia Governorate
- Marital Status: Married
- Driving License: Valid Saudi Driving License
