## work Experience

---

**In Al-Bawani Company:** From 2023 to date.

I worked in the Logistics Department as a Logistics Services Manager, in addition to being a Housing Manager in Riyadh.

**Saudi Bin ladin Group:** From 2009 to 2023

1. From 2019 to 2023, I worked as a Medical Services Manager and Project Doctor at the King Abdullah Financial District Tower project. My responsibilities included treating workers, training first aiders in the Safety Department, and delivering awareness lectures in the First Aid Division (KAIFD).

2. From 2018 to 2019, I worked as a first aid trainer and responsible Issuing work permits to subcontractors of the international Airport safety division (KAIFA).

3. From 2016 to 2018, I worked as Maintenance and Logistic Officer on Al Haram Expansion in makkah, my job was of project management (supportive security).

4. From 2011 to 2016, I worked as Labor Housing Camp Manager in different regions the most important of them:

- Riyadh-Princess Nora University project and National Guard Housing.
- Al Hasa-King Saud university project
- Jeddah-King Abdullah University Project at Saaber and Dahbban
- Makkah - Al Rusaiffah Camp, other affiliated buildings and Al Haram expansion project.

The main tasks were related to Securing Housing, Food (Eating & Drinking), Transportation and Periodic Maintenance (electricity, plumbing and refrigeration) of the camp from to obtain the optimum readiness.

5. From 2009 to 2010, I worked as a Medical doctor at Princess Nora University project in Riyad.

### **Previous Work and Activities in the Kingdom and Abroad**

- In the Kingdom of Saudi Arabia, I worked at Ghassan Farouq Hospital in Jeddah as an Emergency Resident from 2007 to 2009.
- I worked in various hospitals, medical centers, and healthcare companies in different countries, including Europe, Syria, Romania, and Italy, according to my specialty, from 2006 to 2007

## **Language**
