

# MOHD TABISH

CIVIL ENGINEER  
MORE THEN 7 YEAR EXPERIENCE

## PROFILE

I am a dedicated Civil Engineer with a proven track record in the field. With over **07 years** of experience. My expertise extends to various project types, including residential and commercial buildings, steel structures, waterproofing etc.

I am known for my meticulous approach to site surveys, ensuring accurate measurement and quantity essential for projects execution. Collaborating effectively with cross-functional teams, I have consistently contributed to the successful delivery of projects.

As a mentor, I have actively supported the growth and development of junior supervisor, sharing my knowledge in site work.

## WORK EXPERIENCE
