

# Bader Zayed Al Thagafi

Geophysics Graduate | Mud Logger | GIS & Subsurface Analyst  
Riyadh | [bader20@outlook.com](mailto:bader20@outlook.com) | +966532933857

## Objective

---

Fresh Geophysics graduate with training in GIS and mapping technologies (ArcGIS Pro, QGIS). Eager to start a career as a Junior GIS Analyst, applying academic knowledge, training, and strong analytical skills to support geospatial projects and develop practical experience

## Education and work experiences

---

- **Bachelor's Degree in Geophysics**  
King Saud University Graduation year: 2024
- **Senior Quality Control (QC) Processor at BGP** (September 2024 – November 2024)
  - Conducted seismic data quality control and verification.
  - Worked with acquisition teams to resolve data issues.
  - Ensured accurate and complete field data for geophysical processing,
- **Mud Logger at Excellence Logging (Exlog)** (April 2025 – Present)
  - Monitor real-time drilling parameters.
  - Describe lithology samples.
  - And prepare daily geological reports.

## Skills

---

- **ArcGIS Pro (basic level – map creation, spatial analysis).**
- **QGIS (basic usage).**
- **Data Visualization.**
- **Microsoft Excel & Google Earth.**

## Courses & Training

---

- **GIS & Mapping**  
Completed a training course in ArcGIS Pro (Theoretical & Practical) by Tamkeen Alahfad for Training and Professional Development – Dubai Knowledge. Skilled in map creation, spatial analysis, and geospatial data visualization.
- **Remote Sensing & Image Analysis**  
Processing, Classification, and Analysis of Remote Sensing Imagery using ArcGIS Pro  
Tamkeen Alahfad for Training & Professional Development – Dubai Knowledge (2025)

## Languages

---

- Arabic: Native
- English: Advanced (C1 Level)
