Summary

As a Senior Risk Engineer at PACE Architecture, Engineering and Planning Company, I have more than 20 years of experience in delivering high-quality risk engineering solutions for various projects in the EPC, Infrastructure, and Oil & Gas sectors. I hold the IGC, IOSH, and IIRSM certifications, Lead Auditor and Graduate in HSE (In progress) which demonstrate my commitment to the highest standards of health, safety, and environment (HSE) management.

My core competencies include risk assessment, audit and inspections, job safety analysis, potential hazard identification, emergency response plans, review of EHS and EMP plans, training needs assessment and conducting trainings, and OH&S performance evaluation. I am passionate about ensuring the safety and well-being of the workers, the environment, and the stakeholders, as well as enhancing the efficiency and profitability of the projects. I am always eager to learn new skills and technologies, and to collaborate with diverse teams and clients.

Experience

pace HSE Manager

Pace | Architecture, Engineering + Planning

Aug 2023 - Present

1. **ERI (External Road Improvement), The Avenues Riyadh**

The project consists of five bridges and seven underpasses. The bridge approaches are MSE (Mechanical Stabilized Earth) and underpasses approaches are Concrete Retaining Walls. The scope includes but is not limited to all bridges light poles, underpasses light, ventilation and fire alarm, firefighting, drainage, bridges parapets, bearing, expansion joints, duck structure and pier and foundation

2. **The Avenues - Riyadh MALL** is located at the heart of Saudi Arabia in the North of Riyadh City, in a prime position overlooking the intersection of King Salman Road and King Fahad Road extend across a land area of 387,654 sqm.

The Avenues - Riyadh will become the largest commercial mall in the Middle East with a GLA of 398,269 sqm and will include luxury and lifestyle hotels, residential apartments, and offices, with a parking lot of more than 15,000 vehicles.

The Avenues - Riyadh's exquisite architectural style will incorporate the Salmani Architecture to reflect its existence in the heart of Najd, in Riyadh. It will also feature modern designs inside the mall and sustainable and green elements to align with the Kingdom's vision.

3. **Al Wadih Land Port Improvement Phase I & II. Zone 1, 2, 3, 4, 5, 6:**

- **Construction Phase I.** In Landscaping, Construction of Fire Fighting Stations, Construction of Water Station, Curb Stone Installation Parking I & II. Transformer and Generator Installation in Electricity Station. Water Irrigation System, Electrical Lighting pole
- **Construction Phase II.** Customs Cabin, Immigration Cabins, Confiscation Office Building, Masjid, Custom Check booth, Bus Parking, Separation of Bus, Truck, and Light Vehicles Tracks and parking, Backup Power Supply to Al Wadih Land Port, Construction of Generators rooms and Installation of 6 Generators, Construction of Asphalt Road and Lighting Poles

Project: Contract O-1682
Construction Work for Upgrading of Ghuwefat STP

Subject: HSE Supervisor

Dear Sir,

Please find attached letter ref: ADSSC/Proj/016039 dated 01 July 2010 received from ADSSC giving no objection to Mr. Javed Akram appointment as HSE Officer for the Contract O-1682.

As mentioned in the attached letter appointment of Mr. Akram is subject to:

- Submitted of Ministry of Labor Certificate as HSE Officer.
- Site Performance as per ADSSC requirement
- Three months probation period.
- Attendance of all site meetings.

The above does not release of your obligation under contract.

For your information and necessary action.

Yours sincerely,

For ACE International - Consulting Engineers

Dear Sirs,

Project: O-1682

Construction Work for Upgrading Ghuweifat Waste Water Treatment Plant and TSE Pumping Station and Force Main

Subject: HSE Supervisor

In reference to your letter ref.2010/ADSSC O-1682/AJF/524 dated 10th May2010 where you have recommended for the approval of Mr. Javed Akram as a HSE Officer for the Contract O-1682 and further to the clarification, discussion and confirmed accepted in principle on 16th June 2010 during Safety meeting,

We concur with your recommendation and conditionally approve Mr. Javed Akram subject to:

- Provided Ministry of Labour Certificate as HSE Officer
- Site Performance as per ADSSC requirements
- Three months probation period
- Contractor's HSE Manager is required to visit the site regularly and be involved in closing all HSE issues and attending all HSE Meetings.

This qualification as acceptance exempts this letter from use as a reference of appointment.

Expedite the above with the Contractor.

This is for your information and action.

Yours faithfully,

P.P
