 **Email:** elkhatim@gmail.com |  **Mobile:** +966 531684214
 **Date of Birth:** 15 February 1981 |  **Nationality:** Sudanese
 **Location:** Riyadh, Saudi Arabia |  **Saudi Iqama Status:** Transferable

Professional Profile:

A dedicated QHSE Professional with over 17 years of progressive experience driving safety excellence across the oil & gas, infrastructure, and construction sectors. Adept in implementing and auditing ISO 9001, 14001, and 45001 systems, managing high-risk activities, and ensuring regulatory compliance.

Proven expertise in incident investigation, fire prevention, emergency preparedness, HAZOP/HAZID studies, and environmental management. Recognized for building safety culture, delivering impactful training, and leading cross-functional teams in complex operational environments.

Recognized as a NEBOSH-certified trainer and CQI/IRCA Lead Auditor for ISO 45001 & ISO 14001.

Core Competencies:

- QHSE Management & Strategy
- Integrated QHSE Management Systems (ISO 9001, 14001, 45001)
- NEBOSH-Accredited Trainer
- Risk Assessment, HAZOP & HAZID
- Environmental Compliance & Waste Control
- Internal & External ISO Auditing
- Contractor HSE Management
- Emergency Response & Crisis Planning
- Fire Protection (Detection & Suppression Systems)
- Incident Investigation & RCA
- Pipeline Safety & Oilfield Commissioning
- Legal & Regulatory Compliance (NEBOSH, OSHA)

Professional Experience:

Bashayer Pipeline Company (BAPCO)

 Sudan | **Mar 2018 – Feb 2025**

Head of Executive Office | Feb 2023 – Feb 2025

- Advised on executive-level decisions related to safety, compliance, and risk.
- Ensured board-level alignment on HSE policy, performance, and KPIs.

Deputy HSE Manager | Sep 2021 – Feb 2023

- Directed HSE strategy for pipeline expansions and major shutdowns.
- Coordinated audits, incident reviews, and mitigation strategies across remote sites.

Safety Management Section Head | Apr 2018 – Sep 2021

- Oversaw contractor HSE performance and site safety culture.
- Conducted fire drills, toolbox talks, and emergency simulations.

Petrodar Operating Company (PDO)

 Sudan | **Sep 2008 – Mar 2018**

Safety Superintendent | Jul 2013 – Mar 2018

- Supervised HSE functions during commissioning and steady-state operations.
- Investigated major incidents and led RCA and CAPA follow-up.

Senior Environmental Engineer | Jul 2011 – Jul 2013

- Delivered environmental risk assessments, waste audits, and EIA reports.
- Ensured environmental licensing and project approvals.

Safety Officer / Supervisor | Sep 2008 – Jun 2011

- Delivered daily toolbox talks and ensured site safety protocols.
- Assisted in safety inspections, reporting, and follow-up actions.

DAL Group

 Sudan | Jan 2006 – Sep 2008

Quality Control Chemist

- Implemented quality systems in production lines and lab testing.
 - Supported ISO 9001 certification through QC documentation and audits.
-

Education:

Master of Science (M.Sc.) – Cleaner Production

Sudan Academy of Sciences, Council of Engineering Research and Industrial Technology | **2008**

Bachelor of Science (B.Sc.) – Chemistry

University of Khartoum, Faculty of Science | **2004**

Certifications:

- **NEBOSH IGC (Distinction)** – RRC, Bahrain | 2011
- **NEBOSH Process Safety Management** – RRC, Bahrain | 2019
- **IRCA/CQI Lead Auditor (ISO 14001, 45001)** | 2025
- **OSHA (General & Construction Industry)** – CWD, Sudan | 2012
- **CIEH Level 4 – Health & Safety at Work** – RRC, UAE | 2018
