Certified : ISO 9001:2015 and PMI-Scheduling Professional

SUMMARY

I have 5 years of experience in the construction sector including 3-year experience in KSA, I have developed strong expertise in Quality Control (QC) and project execution for road construction, Airport Expansion and housing society projects. In my roles as QC Engineer, QC Inspector, and Site Engineer, I have been responsible for ensuring compliance with local and international standards, monitoring quality processes, and performing inspections to ensure the highest standards of quality are maintained.

I am well-versed in implementing and adhering to the Code, as well as local regulatory requirements for construction projects in the Kingdom of Saudi Arabia. I possess in-depth knowledge of construction materials, testing methods, quality documentation, and safety protocols.

I am driven by challenges and actively seek roles in dynamic, growth-oriented organizations. With a collaborative mindset, I work efficiently alongside senior management and project teams to ensure timely project completion while maintaining the highest standards of quality and safety.

WORK EXPERIENCE

Professional Experience : 1

Contractor : Astra Construction

FRONTIER WORKS ORGANIZATION

TO WHOME IT MAY CONCERN

It is to certify that Engineer Azam Mustafa son of Ghulam Mustafa bearing CNIC No 32202-8106056-7, Passport No FM0870561 is a dynamic officer, who has been an effective part of field construction unit (755 Construction Team Engineers) of Frontier Works Organization. Azam Mustafa has been a Full Time Contractual Employee from 29/05/2021 to 30/10/2024 and been paid at a rate of Rs 104,000 per Month working 48 hours a week.

He has served on numerous projects mainly on road construction projects. He has served the organization on various appointments starting from Quality Control Engineer at Thall-MirAli Project from 05/2021 to 18/11/2022 and served as a QA/QC Manager on Old Bannu Road Project from 19/11/2022 to 30/10/2024. His contribution includes Thall - Mir Ali Road & Old Bannu Road Projects having a total cost of named projects amounting to 58 Bn Pakistani Rupees. His specific duties were as following:

- Participate in the site internal and external audits.
- Prepare periodical Quality reports, audits and Non-Conformance reports showing the status and trend of Quality performance by project team in the project.
- Ensured execution of Project construction activities as per NHA specifications.
- Coordinate with the Project Manager and site Construction manager on all quality issues.
- Verify that the quality of site activities are in accordance with the applicable codes and standards.

The Officer is dedicated, hardworking and devoted as prime qualities that managed well all construction activities attributed to road project in difficult and demanding circumstances. Azam is a team worker who associates subordinates with his work, infuses enthusiasm and exercises good control. Azam is consistent, organized and committed to his work.

He has worked with consultant such as NESPAK Consultant and OSMANI Consultant Ltd.

He has exhibited good professional qualities and solution-oriented efficiency, shouldered responsibility diligently, therefore respected by all tiers of the projects. He is capable enough to take on any job or responsibility entrusted upon him in a befitting manner.

This organization wishes him success and prosperity for future.
