

# IZAZ UL HAQ (ARCHITECT SCE® | BIM MODELER)

Riyadh, KSA | 0966594304288 | khan.izazulhaq567@gmail.com

## CAREER OBJECTIVE

Architect and BIM Modeler with 5+ years of experience in Residential and Commercial projects. Highly skilled in design development, 3D modeling, rendering, and BIM workflows using Revit, AutoCAD, and SketchUp. In addition to architectural design responsibilities, I also lead the drafting section, ensuring accuracy and quality of technical drawings. Seeking to contribute creativity, technical expertise, and leadership in a progressive organization.

## EXPERIENCE

JAN- 2023 TO  
PRESENT

### ○ Architectural Engineer | REVIT MODELER | 3D VISUALIZER, KAS ENGINEERING CONSULTANTS (<https://www.kas.com.sa>)

- Preparation of design proposals on concepts prepared by the Principal Architect and managed design projects from concept development through to completion.
- Utilized 3D modeling software to create visual representations of architectural concepts for client review by using AutoCAD, Revit and SketchUp to create detailed design drawings and 3D models.
- Conceptualized and designed architectural plans, integrating client specifications and functional requirements.
- Shop drawings for Interior Design Projects in AutoCAD
- 3d modeling in Revit and 3d Rendering in Lumion
- detailed Presentation drawings in Revit
- Created, printed and modified drawings using AutoCAD and Revit.
- Produced detailed architectural drawings and sketches, using AutoCAD and Revit.
