Objective

Motivated and detail-oriented Civil Engineering graduate seeking to contribute to a dynamic organization. Passionate about delivering high-quality engineering solutions, with a strong commitment to continuous learning and professional development. Adept at working in fast paced environments, solving complex problems, and collaborating with diverse teams.

Experience

Saudi Arabia Railway (SAR) | Internship (COOP training)

June 2024 – Jan 2025

- Working with Engineering Department as Design Engineer
- Evaluated technical documents and reports to ensure consistency with project objectives.
- Gained hands-on experience in technical evaluations.
- Conducted technical assessments, enhancing practical understanding and problem-solving skills.
- Worked on manpower contracts, reviewing terms and ensuring compliance with company standards.
- Drafted and refined agreement documents to support operational needs.
- Engaged with external clients and end-users to identify and recommend innovative products and solutions for organizational benefit
- Conducted site visits to verify that contractors addressed and resolved items on the snag list in compliance with project specifications.

BEC Concrete Solutions – Riyadh, Saudi Arabia

September 2025–Present

- Reviewed the Scope of Work (SOW) to understand project requirements and deliverables.
- Studied project items and specifications to build familiarity with contractual and technical details.
- Currently based in the office, supporting documentation and preparation until the project site work begins.
