

Engr Sajid Ali Khan

QA/QC Inspector Civil

SUMMARY

QA/QC Inspector (Civil) With over 05 years of progressive experience in the construction industry, I have successfully managed and supervised a wide range of civil engineering projects, including high rise buildings, residential villas, bridge structures, and most recently the QIDDIYA SPEED PARK (QSP) in Riyadh. My expertise spans site execution, quality control and project coordination ensuring timely and cost-effective delivery while maintaining strict adherence to safety and quality standards.

Date : 02-07-2025

TO WHOM IT MAY CONCERN

This is to certify that Engr Sajid Ali Khan was employed as a QA-QC Inspector from (December 2023 to June 2025) at Masco. During this period, he was responsible for conducting quality inspections, ensuring compliance with relevant standards, identifying and resolving quality issues, and maintaining detailed quality documentation. His performance was consistently professional, and he contributed significantly to improving product quality and process efficiency.

During their tenure, Engr Sajid Ali Khan played a critical role in ensuring the quality and compliance of construction activities in accordance with project specifications, industry standards, and regulatory requirements. They were responsible for conducting routine inspections and material testing, reviewing method statements and inspection test plans (ITPs), and verifying workmanship against approved drawings and standards.

We wish him success in all his future endeavors.

Project Director
MASCO Group of Company

A circular stamp with the text "QIDDIYA PROJECT" around the top edge and "MASCO" in the center. The MASCO logo is also present in the center. There is some Arabic text at the bottom of the stamp.
