SUMMARY

As an Interior Designer engineer with a strong foundation in architectural drafting and garden design, I specialize in creating integrated spaces that seamlessly blend functionality with aesthetics. My experience spans both indoor and outdoor.

EXPERIENCE

ARCHITECTURAL DRAFTSMAN AND LANDSCAPE | Nov 2022 to Nov 2024

Zaid AlHussain & Brothers Group - Riyadh, Saudi Arabia

Prepared architectural and execution drawings. Designed gardens and coordinated outdoor spaces according to project requirements. Selected suitable plants and materials while considering environmental factors. Delivered 3D plans to visualize designs and ensure precise implementation. Collaborated with the team to execute projects according to aesthetic and architectural standards.

INTERN | Jan 2020 to Jan 2021

3N Jeddah Office - Jeddah

Assisted in designing and developing functional and aesthetic interior spaces. Prepared 3D designs and execution plans using design software. Collaborated with team members to deliver projects on time and meet client expectations.

EDUCATION

Jazan University — Jazan | Bachelor of Science
