Profile Summary

Occupational Health & Safety Inspector with 10 years of experience in construction and contracting, specialized in risk assessment, compliance auditing, and implementing OSHA, NEBOSH, and IOSH standards. Skilled in leadership and communication, with a strong focus on fostering workplace safety culture and minimizing hazards.

Work Experience

Azmeel General Contracting Company

Occupational Health & Safety Officer – Nov 2015 to Jun 2019

Munasib Contracting Company

Occupational Health & Safety Officer – Jun 2019 to Present

Responsibilities & Duties:

- Supervised safety initiatives and conducted periodic risk assessments and audits to ensure a safe work environment.
- Designed and delivered specialized training and awareness programs to enhance employee competence and strengthen safety culture.
- Prepared accurate technical and analytical safety reports to support senior management in strategic decision-making.
- Performed comprehensive risk assessments and implemented effective corrective actions to minimize accidents and potential hazards.
- Ensured full compliance with local regulations and international standards through continuous monitoring and detailed reporting.
- Promoted occupational safety practices by organizing interactive awareness sessions and workshops for employees.

Skills

- Risk assessment and analysis
- Preparing technical safety reports
- Knowledge of safety standards and regulations (OSHA, IOSH, NEBOSH)
- Fire safety equipment handling and fire protection
- Conducting awareness and training programs
- ICDL (International Computer Driving License)
- Strong communication, teamwork, and leadership skills

Hobbies & Interests

- Professional Reading: Staying updated with the latest occupational health, safety research, and industry best practices.
- Technology & Innovation: Exploring programming, AI applications, and emerging tech trends.
- Sports & Fitness: Engaging in regular physical activities to maintain health, focus, and resilience.
