Career Objective

Dynamic and results-oriented Business Consultant with over 15 years of experience in strategic planning, organizational development, and professional training across public and private sectors in Saudi Arabia and Egypt. Specialized in business performance enhancement, operational restructuring, and investment advisory. Proven ability to design and deliver high-impact training programs, lead business development initiatives, and provide tailored consultancy in human resources, marketing, and financial management. Recognized for driving institutional growth, improving productivity, and empowering leadership teams through data-driven strategies and hands-on coaching.
