Project Engineer | NEOM Approved | DDC Approved | QMS ISO 9001:2015 CQI/IRCA | SCE® | PEC® | Quality and Safety Standards | MS Structural Engineering | Roads & Bridges | Cable Crane & Gondola | Infrastructure projects

Location: Trojena, Neom, Saudi Arabia

Contact: +966 551068179

Email: nadeemabbas9200@gmail.com

LinkedIn: www.linkedin.com/in/engr-nadeem-abbas

PROFILE:

I am a NEOM-approved Project Engineer (WF-133546) and a member of the Saudi Council of Engineers, with over five years of experience in roads, highways, bridges, culverts, structural, and hospitality fit-out projects across Saudi Arabia. Skilled in project execution, QA/QC supervision, design coordination, and temporary works inspections, including scaffolding and formwork, I ensure full compliance with ACI, AASHTO, ASTM, EN Codes, and the Saudi Building Code.

Awarded by NEOM for Quality Implementation, I specialize in project documentation such as method statements, pouring plans, and inspection reports. I also conduct coordination meetings with consultants and clients to achieve safe, high-quality, and on-time project delivery.

SKILLS & COMPETENCES:

Project Planning • Site Supervision • Concrete Works • QA/QC Inspection • Design Coordination • Method Statements • Pouring Plans • Scaffolding & Formwork Inspection • Temporary Works Management • Bridge & Culvert Construction • Road & Highway Execution • AutoCAD • MS Office • Quantity Estimation • Technical Documentation • AASHTO / ASTM / EN Codes • Saudi Building Code Compliance • Team Leadership • Time Management • Client Coordination • Problem Solving • Safety & Quality Assurance • RFIs to designer • Clients inspections • Erection of Steel Structure • Grouting • Rock Anchor installation • Post Tensioning • Slope Stability by Anchors.

EXPERIENCES:

JAN 2024 – PRESENT

Company: KANOO-CDC (Chain Drive Crane)
Position: Project Engineer
Project: Heavy Lifting Cable Crane System (40 Ton and 20 Ton)
Location: Trojena, NEOM & Al Ulla

 Lead the execution and supervision of heavy lifting cable-crane foundations, roadworks, and structural concrete activities within NEOM, ensuring full compliance with design specifications, project schedules, and safety requirements.

-  Develop and implement method statements, concrete pouring plans, lifting plans, and ITPs, aligning site activities with ACI, ASTM, EN Codes, and the Saudi Building Code.
-  Coordinate with design, QA/QC, and safety teams to manage temporary works inspections such as scaffolding, formwork, and shoring systems, maintaining strict quality and HSE standards.
-  Manage technical documentation, including RFIs, material approvals, and daily progress reports, while supporting client and consultant meetings to resolve design and execution challenges.
-  Optimize resource allocation of manpower, equipment, and materials, improving site productivity and ensuring timely completion of key project milestones under high-precision construction conditions.

JUN 2023 – DEC 2023

Company: Rayanco Saudi Factory Ltd.
Position: Site Engineer
Project: Warehouse Infrastructure
Location: Jubail, Saudi Arabia

-  Supervised the construction of warehouse infrastructure, including foundations, concrete pavements, utilities, and internal roads, ensuring full compliance with approved drawings and project specifications.
-  Monitored and controlled civil, architectural, and finishing activities, coordinating daily with subcontractors, consultants, and QA/QC teams to maintain progress, safety, and quality standards.
-  Prepared and reviewed method statements, inspection test plans (ITPs), and work permits in accordance with ASTM, ACI, EN Codes, and the Saudi Building Code.
-  Conducted material inspections, pour card verifications, and finishing inspections for slabs, floor coatings, and structural connections to ensure conformity with project requirements.
-  Managed site documentation, including daily progress reports, inspection requests, and material approval logs, ensuring clear communication between field operations and project management.
-  Participated in technical and coordination meetings, assisting in planning sequences, resolving on-site challenges, and ensuring safe, efficient, and cost-effective project execution.

AUG 2022 – MAY 2023

Company: Ruwad Civil Construction Ltd.
Position: Site Engineer
Project: Jabal e Ummer Project
Location: Makkah, Saudi Arabia

-  Supervised structural and architectural works for the Jabal e Ummer Tower High-Rise Building, ensuring compliance with approved drawings, technical specifications, and safety requirements.
-  Monitored construction of reinforced concrete elements including columns, slabs, cores, and retaining structures, ensuring accuracy in reinforcement placement, alignment, and dimensional control.

- 🏗 Inspected and approved formwork, scaffolding, and shoring systems for stability, alignment, and safety prior to each concrete pour, maintaining compliance with ACI, EN Codes, and the Pakistan Building Code.
- 🏗 Coordinated with QA/QC teams to perform concrete testing, cube sampling, and quality verification, ensuring consistent material performance and adherence to project standards.
- 🏗 Prepared inspection requests (IRs), pour cards, and site reports, while supporting technical meetings and maintaining complete project documentation for quality audits and client submission.

NOV 2020 – MAY 2022

Company: National Logistic Company.
Position: Assistant Construction Manager
Project: Intersection of 11th Avenue with Khayaban e Iqbal.
Location: Islamabad, Pakistan

- // Supervised the construction of bridge structures, road intersections, and culverts, ensuring full compliance with approved drawings, project specifications, and safety standards.
- // Monitored highway construction activities including earthworks, subgrade, sub-base, asphalt paving, and drainage systems, maintaining quality control and adherence to design tolerances.
- // Inspected and verified formwork, reinforcement, and scaffolding systems for bridge decks, piers, abutments, and box culverts in accordance with AASHTO, ASTM, EN Codes, and the Saudi Building Code.
- // Coordinated with consultants, surveyors, and QA/QC teams to review levels, dimensions, and alignments, resolving technical issues and ensuring smooth site execution.
- // Prepared daily progress reports, inspection requests (IRs), method statements, and concrete pouring plans, ensuring proper documentation and communication with project management.

EDUCATION:

1. MS Structural Engineering (3.46/4)

University of Engineering and Technology, Taxila

2. BSc Civil Engineering (3.36/4)

University of Engineering and Technology, Taxila

AWARDS:

1. Quality implementation and commitment award from **Robert Colling, NEOM Director HSEQ**
2. Awarded a laptop from the **Prime Minister of Pakistan** for performance in education.
3. Awarded solar panel setup from the **Chief Minister of Punjab** for performance-based education.

Experience Letter

This is to certify that **Mr. Nadeem Abbas** was employed with us as a **Civil Site Engineer** on the **Jabal Umer Project**, from **27th August 2022 to 20th May 2023**.

During his tenure, Mr. Nadeem Abbas demonstrated strong technical skills in civil site execution, quality control, and site coordination. He was responsible for overseeing construction activities, ensuring compliance with project specifications, and maintaining safety and quality standards on-site. His performance was marked by professionalism, dedication, and a proactive approach to problem-solving.

We found him to be a committed team player and an asset to the project. We wish him all the best in his future professional endeavors.

Project Manager

TO WHOM IT MAY CONCERN

1. It is certified that **Mr. Nadeem Abbas S/o Khuda Bakash** has served with National Logistics Corporation (NLC) on following Projects as **Assistant Manager Construction (Civil)** from 18 Nov 2020 till 30 May 2022:-

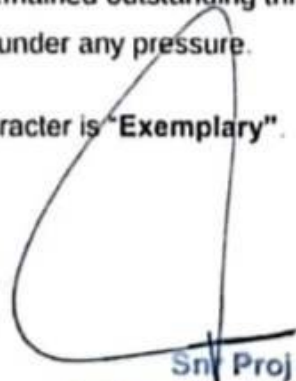

- a. Grade Separated Arrangement at Intersection of 11th Avenue with Khayaban-e-Iqbal, Islamabad, Pakistan.
- b. Rehabilitation & Widening of IJP Principal Road (Faizabad to N-5 Islamabad, Pakistan).
- c. Up Gradation of Road from RCC Konodas Bridge to PAF Base Camp Naltar via Nomal, Gilgit Baltistan Pakistan.

2. Mr. Nadeem Abbas is a humble, submissive & Co-operative person, while his attitude towards his seniors and fellow colleagues has been quite appreciable during his period of service with this organization. He always discharges his duties professionally with utmost care and responsibility. His performance in attending to his duties remained outstanding throughout the tenure of service. He has the ability to work independently under any pressure.

3. I wish him, all successes in his future life. His moral character is "**Exemplary**".
