CONSTRUCTION MANAGER

Dear Hiring Manager,

I am excited to apply for the Construction Manager position at your company. With more than 15 years of experience in civil engineering and project management across Egypt and Saudi Arabia, I have successfully led the construction and finishing of large-scale residential, commercial, and infrastructure projects. My expertise includes structural works, finishing, cost control, and team leadership. As a PMP-certified professional, I am skilled in project planning, risk management, and quality assurance. Proficient in AutoCAD, SAP2000, and MS Office, I combine technical knowledge with strong leadership and communication skills.

I am confident that my background and commitment to delivering projects on time, within budget, and at the highest quality standards will make me a valuable asset to your team. I look forward to the opportunity to contribute to your company's success.

Sincerely,

Mohammed EL Sayed Abd Allah
Construction Manager
