SUMMARY

Civil Engineer with NEOM-approved QA/QC certification and Saudi Council of Engineers accreditation. Extensive experience in mega construction projects and infrastructure works, including tunneling, roads, utilities, and high-rise buildings. Proven expertise in QA/QC, site supervision, material testing, and ensuring compliance with international standards. Skilled in coordinating multidisciplinary teams to deliver complex projects efficiently and safely.

EDUCATION

Jazan University | Saudi Arabia

Bachelor's degree in civil engineering | 2023.

KEY PROJECTS

- **NEOM Vault – Trojena Gateway (TTT Project) | QA/QC Engineer**
Supervised QA/QC for tunneling works (TBM), slope stabilization, and material testing.
- **Gulf of Aqaba – Aguellum | QA/QC Engineer**
Managed quality inspections and testing for mountain excavation and tunnel consolidation.
- **ROSHN Sedra 2, Riyadh | Supervisor Civil Engineer**
Oversaw utilities, road infrastructure, culverts, and backfilling operations.
- **Al Saedan - Stage Center, Riyadh | Supervisor Civil Engineer**
Supervised structural works including columns, slabs, walls, formwork, reinforcement, and Post-Tensioned Slab.

PROFESSIONAL EXPERIENCE

QA/QC Civil Engineer

Al-Ayuni Limak Contracting Company | NEOM – Project TTT (Vault, Trojena Gateway) Jul 2025 – Present

- Supervise QA/QC for tunnel excavation and synthetic tunnel construction.
- Conduct material testing (concrete, shotcrete, reinforcement).
- Coordinate with consultants and prepare quality reports.

QA/QC Civil Engineer

Al-Ayuni Limak Contracting Company | NEOM , AGUELLUM , Gulf of Aqaba Jun 2024 – Jul 2025

- QA/QC Engineer in the cube mountain top excavation.
- Supervised all quality control processes in tunnel excavation and consolidation.
- Conducted inspections and tests to ensure compliance with project standards.
- Implemented quality plans and monitored material testing (Shotcrete, concrete, etc.).
- Coordinated with consultants and contractors to address technical discrepancies.
- Maintained accurate documentation of quality tests and progress reports.
- Granted NEOM Approval as a QA/QC Engineer, ensuring compliance with their high-quality standards.

Supervisor Civil Engineer

Arabtech Jardaneh company | ROSHN , SEDRA 2 , Riyadh

Oct 2023 – Jun 2024

- Supervising all infrastructure activities (dry utilities and wet utilities).
- Supervising road works, culvert, backfilling and irrigation tanks.
- Ensured compliance with specifications and design drawings.

Supervisor Civil Engineer

Arabtech Jardaneh company | ALSAEDAN , STAGE CENTER , Riyadh

Jul 2023 – Oct 2023

- Supervised structural works: columns, slabs, walls, formwork, reinforcement, and Post-Tensioned Slab.
- Ensured quality control, and accurate documentation of progress and materials.

CERTIFICATIONS

- Introduction to Quality Management | September 2025
- ISO 9001:2015 - Quality Management System (QMS) Essentials | September 2025
- OSHA Certification | September 2025
- AutoCAD | Jazan University | February 2022

MEMBERSHIPS

- Member, Saudi Council of Engineers (ID: 1033116)
- NEOM-Approved QA/QC Engineer (Accredited, Dec 2024)

SKILLS

Technical Skills

Quality & Inspection:

- QA/QC Documentation (ITP, RFI, NCR)
- Material Testing (Concrete, Shotcrete, Rebar)
- ISO 9001:2015 Quality Management

Engineering & Site:

- Infrastructure Utilities (Water, Sewage, Electrical)
- Roadworks & Pavement Layers
- Tunnel Construction (TBM)
- Structural & Civil Works Inspection

Software & Tools:

- AutoCAD • SAFE • ETABS • SAP2000 • Microsoft Office Suite

Safety & Compliance:

- OSHA Standards • Risk Assessment

Soft Skills:

- Leadership & Teamwork
- Communication & Interpersonal Skills
- Problem-Solving & Decision-Making
- Time Management & Organization

LANGUAGES

- Arabic.
- English.
