Summary

Seeking a position to develop my abilities, skills and experience that correspond with my education. I expect to be professional, reliable, and playing an active role in a multinational firm. A great deal of knowledge gained from the attendance of various training workshops in Jordan beta switchgear company, from recognized engineers (repair and maintenance, and administration).

Education

| | | |
|--|------------------------------|------------|
| Bachelor of Electromechanical Engineering | Al Balqa University - Jordan | 2007 –2011 |
| High School | Dammam School- Saudi Arabia | 2006 –2007 |
