

Mansour Mohamed Salah

MEP Project Manager

+974 3384 2073 | mansoursalah201087@gmail.com | Doha, Qatar

OVERVIEW

Results-driven and detail-oriented MEP Project Manager with over 14 years of experience in delivering complex and fast-track construction projects in the Gulf region. Adept at overseeing all phases of project life cycle from planning and design to execution and close-out. Skilled in cost control, scheduling, procurement, and technical coordination. Proven ability to manage cross-functional teams, engage stakeholders, and drive projects toward timely completion within scope and budget. Known for proactive risk management, excellent communication, and leadership capabilities.

WORK EXPERIENCE

Present –
March 2022

MEP Project Manager

Bojamhour Mechanical and Electrical Company W.L.L.

Projects: Design & Build For Al Asmakh Areas 02 & 03

Client: PWA

- Identified and engaged key stakeholders and coordinated the gathering of project requirements.
- Chair regular meetings with internal teams, external stakeholders, and authorities to address issues and monitor project progress.
- Addressed and removed blockers to streamline execution across multiple construction zones.
- Proactively monitored and controlled project schedule, cost, and risk to ensure alignment with project goals.
- Implemented recovery strategies such as manpower reinforcement and parallel work streams to overcome delays.
- Conducted detailed risk assessments, prioritized issues based on stakeholder tolerance, and formulated mitigation strategies.
- Ensured all MEP works complied with contract documents, shop drawings, specifications, and international standards.
- Performed contractor and supplier pre-qualifications and supported procurement with technical evaluations.
- Maintained comprehensive technical and financial records throughout the project lifecycle.
- Planned and managed project scope, schedule, deliverables quality, budget, and resource allocation.
- Administered changes to scope, cost, and timelines using formal change control processes.
- Delivered value engineering to reduce costs without compromising quality or client satisfaction.
- Directed and supported a multidisciplinary MEP team with daily technical guidance and mentorship.

Feb 2022 –
Jan 2021

Acting Project Manager/Senior Electrical Engineer

Bojamhour Mechanical and Electrical Company W.L.L.

Projects: Design and Build for Modification and Additional Works to Existing (27) Schools Package 3 (11) Nos. schools, Package 2 (4) Nos. schools & Package 1 (8) Nos. schools

Client: PWA

- Managed MEP execution across all schools simultaneously, handling diverse scopes and constraints.
- Reviewed technical documentation and adjusted designs to meet site conditions and constraints.
- Supervised preparation and approval of technical submittals, drawings, and material deliveries.

- Monitored site activities and provided technical leadership for resolution of field issues.
- Interfaced with consultants and authorities to secure inspections, NOCs, and approvals.
- Oversaw progress reporting, billing, and closeout documentation.
- Optimized execution through scheduling adjustments and change management.

Oct 2020 -
Feb 2020

Senior Electrical Engineer

Bojamhour Mechanical and Electrical Company W.L.L.

Projects: Nishan Tower, Lusail (COM 019 – 29 Floors)

Client: Nishan Investment & Real Estate Development

- Supervised installation of all electrical systems including lighting, power, and ELV systems.
- Reviewed design drawings and coordinated changes with consultant and main contractor.
- Managed technical submissions, procurement, and material inspections.
- Oversaw testing, commissioning, and authority inspections for final approvals.
- Resolved site conflicts and technical discrepancies in real-time.
- Led QA/QC efforts and coordinated closely with other disciplines.

Jan 2020 –
Mar 2019

Senior Electrical Engineer

Bojamhour Mechanical and Electrical Company W.L.L.

Projects: ISF Camp Development, Duhail (CPC07d)

Client: Internal Security Force (ISF)

- Led implementation and commissioning of electrical systems including MV/LV networks.
- Reviewed design deliverables and coordinated with stakeholders on interface points.
- Managed QA/QC compliance and supervised third-party testing and audits.
- Directed authority inspections and approvals from Kahramaa.
- Ensured accurate installation of power and ELV systems.
- Maintained documentation and conducted technical evaluations.

Feb 2019 –
Nov 2017

Senior Electrical Engineer

Bojamhour Mechanical and Electrical Company W.L.L.

Projects: New College of Law – Qatar University

Client: Qatar University

- Supervised LV and ELV installations across academic and administrative buildings.
- Managed material submittals, procurement, and site coordination.
- Directed subcontractors and maintained project documentation.
- Coordinated with consultants for inspections and approvals.
- Handled technical issues and recommended engineering solutions.
- Prepared red-line and as-built drawings.

Oct 2017 –
Dec 2016

Tender & Estimation Engineer

Bojamhour Mechanical and Electrical Company W.L.L.

- Prepared cost estimates and technical submissions for MEP bids.
- Conducted site visits and technical clarifications during bid evaluations.
- Collaborated with design teams to optimize value engineering.
- Studied tender documents, BOQs, and specifications to prepare competitive proposals.
- Analyzed subcontractor quotations and prepared bid summaries.
- Supported procurement team during post-tender clarifications.

Nov 2016 –
Feb 2015

Electrical Project Engineer

Bojamhour Mechanical and Electrical Company W.L.L.

Projects: Barzan Camp Phase 2 – Officers Buildings

Client: Qatari Amiri Guard

- Oversaw daily execution and technical coordination of electrical systems.

- Handled authority liaison and approvals for design changes and inspections.
