ABOUT ME

I have almost 6 years wealth of experience in both civil & structural fields in Pakistan and Saudi Arabia. I've worked as civil/structural site inspector, QC Inspector with various reputed multinational companies. My experience includes construction supervision, report writing, site inspection and control of overall roads and Infrastructural construction works as per employer's requirements and perform/witnesses various material testing related to concrete, soil and asphalt conducted in the third-party laboratory as per contract specifications. I have ability to communicate with contractor to resolve the issues and clients to ensure their satisfaction. I am creative, flexible, and rigorous and collaborator with excellent, independent organizational skills and an attitude to achieve target and satisfy the client's requirements. I got communication skills both written and oral in English. I am well familiar with ACI, AASHTO & ASTM standards.
