

MOHAMED MOSTAFA AHMED OMAR

Civil Engineer

Phone: +966 54 665 5728

Email: mm1088021@gmail.com

Location: Riyadh, Saudi Arabia

PROFESSIONAL SUMMARY

Civil Engineer with 3 years of experience in construction supervision, execution, and quality control (QA/QC/AC) across structural and infrastructure projects. Skilled in site supervision, reviewing shop drawings, preparing quality and progress reports, and ensuring compliance with project specifications and safety standards. Strong ability to lead site teams, coordinate with consultants and contractors, and monitor project progress to achieve timely and high-quality outcomes. Experienced in technical documentation, data analysis, and quality assurance procedures, with a strong commitment to continuous improvement and delivering excellence in every project.

EDUCATION

Bachelor's Degree in Civil Engineering

Phi Academy, Cairo, Egypt (2017–2022)

Graduation Project: Irrigation Works Design – Grade: Excellent
