Dear Hiring Manager,

I am writing to express my interest in the strategic roles of Senior Architect, Design Lead, or Interior Designer. With over 14 years of experience in architectural and interior design across diverse sectors in Saudi Arabia, UAE, and India, I have honed my skills in delivering innovative design solutions that align with client visions while ensuring technical feasibility and budget compliance. My proficiency in drafting, 3D visualization, and MEP coordination positions me as a strong candidate to contribute to your esteemed organization.

In my current role as a Senior Draftsman at Tamimi PEB, I have successfully managed the preparation of detailed Civil, Infrastructure, Mechanical & Electrical drawings for significant projects, including the Qiddiya Design & Built Worker Village Project. My experience extends to leading cross-functional teams, mentoring junior designers, and ensuring adherence to project timelines and standards. I am adept at translating client requirements into actionable design strategies, which has consistently resulted in high client satisfaction.

Throughout my career, I have implemented process improvements that have enhanced efficiency and reduced project costs. My technical skills in software such as AutoCAD, Revit, and 3ds Max, combined with my ability to coordinate with various stakeholders, have enabled me to deliver projects that meet both aesthetic and functional requirements.

I am excited about the opportunity to bring my expertise in architectural and interior design to your team. Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to your projects.

Sincerely,

Abdul Mukarram

## About Me

Accomplished Architectural & Interior Design professional with over 14 years of experience delivering innovative and functional design solutions across commercial, residential, and institutional projects. Seeking a strategic role as Senior Architect, Design Lead, or Interior Design Manager to leverage expertise in drafting, 3D visualization, MEP coordination, and multi-disciplinary project execution to drive design excellence & client satisfaction.

## Core Competencies

- Architectural Design
- Interior Design Management
- Project Planning & Execution
- 3D Visualization & Rendering
- AutoCAD, Revit & SketchUp
- MEP Coordination
- Construction Documentation
- Team Leadership & Mentoring
- Commercial & Residential Projects
- Client Requirement Analysis
- Budgeting & Resource Management
- Multi-Disciplinary Project Delivery

## Education

### Bachelor of Design (Interior Design)

Jawaharlal Nehru Architecture and Fine Arts University, Hyderabad, Telangana, India  
2007–2010

## Profile Summary

- Design Leadership** professional leading architectural and interior design projects across Saudi Arabia, UAE, and India, ensuring alignment with client vision, technical feasibility, and budgets.
- Multi-Sector Expertise:** Delivered high-quality designs for commercial, residential, hospitality, multiplex, and institutional projects.
- Technical & Visualization Skills:** Proficient in AutoCAD, Revit, 3ds Max, SketchUp, V-Ray, Lumion, Enscape, and Bentley MicroStation, with strong 3D visualization and construction documentation capabilities.
- Project & Team Management:** Experienced in leading cross-functional teams, mentoring designers, coordinating with consultants & contractors, and delivering projects on time & within budget.
- Client-Focused & Global Compliance:** Skilled in translating client requirements into innovative solutions, managing multiple projects simultaneously, & ensuring adherence to regional standards & regulations.

## Experience

- Tamimi Peb, Qiddiya City, Worker Village 1-8, Riyadh, Saudi Arabia**  
Senior Draftsman Sep'23 – Present  
**Qiddiya Design & Built Worker Village Project**  
**Construction for Package 22 Civic Buildings**
  - Preparing detailed architectural & interior drawings**, including plans, sections, elevations, & **3D visualizations** using AutoCAD, 3ds Max, & other design software.
  - Interpreting sketches, conceptual drawings, and specifications** from architects and designers into precise **technical drawings**.
  - Revising and updating drawings** based on feedback from architects, engineers, and project managers to ensure **design accuracy**.
  - Coordinating with project teams**, including architects, engineers, and contractors, to **resolve design and technical issues** efficiently.
  - Producing shop drawings & as-built drawings** for construction & documentation purposes while maintaining **compliance with project standards**.
  - Managing and organizing drawing files**, maintaining accurate records of revisions, versions, and **document control**.
  - Assisting in quantity take-offs and preparing bill of quantities (BOQ)** from drawings to support project planning and cost estimation.
  - Mentoring junior draftsmen & CAD operators**, ensuring **quality, consistency, & adherence to project timelines**, supporting site measurements & surveys.
- Asian Builders & Groups Pvt. Ltd (India), Hyderabad, Telangana**  
Arch. & Interior Designer (Head Of The Dept.) Aug'20 – May'23  
**Commercial Projects:**
  - Microsoft DLF Downtown – Gurgaon**
  - Qualcomm – KRC Hetero Raidurgam – Hyderabad**
  - Micron – Financial District – Hyderabad****Residential Projects:**
  - Prestine Prathima – Gopanpally, Hyderabad**
  - My Home Bhooja – Gachibowli, Hyderabad**
  - Prestige High Fields – Financial District, Hyderabad**
  - North Star Airport Boulevard – Tukuguda, Hyderabad****Multiplex/Cinema Projects:**
  - AMB Cinemas – Sarath City Capital Mall, Gachibowli**
  - M Cube Cinemas – Attapur**
  - Cineplanet Multiplex – Kompally**
  - Asian Cine Square Multiplex – Uppal**
  - Asian Muktha A2 Cinemas – Narapally**
  - Mukund Theatre – Medchal**
  - Konark Theatre – Dilsukhnagar**

## Technical Skills

- **Design & Drafting:** AutoCAD, Revit, Bentley MicroStation, 3ds Max, Google SketchUp
- **Rendering & Visualization:** V-Ray, Corona, Lumion, Enscape
- **Graphic & Productivity Tools:** Adobe Photoshop, MS Office

## Certifications

- **Diploma in Revit Architecture** – Canter CADD
- **Diploma in 3ds Max, SketchUp & V-Ray** – AIA (Aesthetic Interior Academy)
- **Diploma in AutoCad:** Graffiti Engineering Solutions
- **Diploma in Graphic Designing** (Adobe Photoshop, Adobe Premiere, etc.) – Orbit Computer
- **Diploma in Computer Applications** (MS Office) – Mac InfoTech Computer Education

## Personal Details

- **Date of Birth:** 9<sup>th</sup> April 1989
- **Nationality:** Indian
- **Religion:** Islam
- **Marital Status:** Married
- **Driving License:** Saudi Arabia
- **Languages Known:** English, Urdu & Arabic

- **Developed 2D & 3D visualizations, perspective renderings, & layout plans** with detailed specifications for commercial, residential, & multiplex projects.
- **Executed high-quality interior design concepts**, including mood boards & layout plans, aligning with client goals & project requirements.
- **Prepared detailed construction & working drawings**, including interior carpentry and MEP coordination, ensuring accuracy & compliance with design standards.
- **Conducted site visits**, prepared quality observation reports, and coordinated with consultants to obtain design approvals.
- **Researched & selected materials and products**, managing procurement & installation of design elements within project budgets & timelines.
- **Created project estimates, schedules, and staffing plans**, ensuring smooth execution and timely delivery of multiple concurrent projects.
- **Collaborated with designers, site engineers, decorators, constructors, & vendors**, ensuring alignment of architectural, interior, & MEP design outputs.
- **Reported project progress to senior management (MD)**, tracked industry trends, & implemented best practices to enhance design quality & operational efficiency.

### • **Omis Contracting Co. LLC (Sharjah), Sharjah, UAE**

**Arch. & Interior Designer**

**Apr'14 – Oct'19**

**Abu Dhabi International Airport Midfield Terminal Building – Abu Dhabi, UAE**

**Omis Tower – Sharjah, UAE**

**Four Star Hotel – Sharjah, UAE**

**Al Juraina Mall – Sharjah, UAE**

**School of Research Science – Dubai, UAE**

- **Prepared detailed architectural drawings** for residential & commercial construction projects, ensuring accuracy & compliance.
- **Created architectural and shop drawings** based on building calculations, sketches, and design requirements.
- **Developed interior layouts and room arrangements** for commercial buildings using CAD software and freehand drawings.
- **Coordinated structural, electrical, and mechanical designs**, integrating them into architectural plans for seamless project execution.
- **Supervised & inspected draftspersons, technicians, & technologists**, maintaining quality & adherence to project standards.
- **Prepared daily reports**, including concrete reports and inspection requests, supporting project monitoring and documentation.

### • **Saudi Binladin Group, Makkah, Saudi Arabia**

**Architectural Draftsman (AutoCAD)**

**Jun'10 – Jan'14**

**Third Expansion of Holy Haram Makkah Shamiya Project – Makkah, Saudi Arabia**

**Holy Makkah Hospital – Makkah, Saudi Arabia**

**Security Building – Makkah, Saudi Arabia**

**King Saud University (KSU) – Riyadh, Saudi Arabia**

**King Abdullah Financial District (KAFFD) – Riyadh, Saudi Arabia**

- **Prepared shop drawings** for toilet pods, ablution areas, tile layouts, and elevations, ensuring compliance with project specifications.
- **Developed architectural, electrical, and structural drawings**, integrating multi-discipline designs for execution.
- **Modified and coordinated drawings** with related trades and services, implementing design engineer suggestions for ongoing projects.
- **Prepared as-built drawings and obtained consultant approvals**, ensuring accuracy and adherence to project standards.
- **Calculated quantities using CAD software** to support project estimation and resource planning.
- **Generated daily progress reports** for senior management, monitoring project activities and facilitating timely decision-making.
