

MUHAMMAD YASEEN

(Red Sea Approved | Aramco Approved)

Position: HSE Officer

SUMMARY

A highly dedicated and proactive Health, Safety & Environmental (HSE) Officer with proven expertise in developing, implementing, and monitoring workplace safety systems in compliance with international standards such as NEBOSH, ISO 14001, and OSHA. Skilled in risk assessment, hazard identification, and regulatory compliance across construction and industrial projects. Adept at fostering a strong safety culture, leading training programs, and ensuring environmental sustainability through effective control measures. Committed to safeguarding lives, protecting property, and minimizing operational risks by promoting safe work practices and continuous improvement. Seeking to contribute my technical knowledge, leadership abilities, and hands-on experience to enhance organizational HSE performance and achieve zero-incident operations.

PROFESSIONAL EXPERIENCE

HSE Officer

Abdul Mohsen Al Tamimi Contracting Company

Client: Red Sea

Project: Construction of Central Sports Club & Beach Club

Location: Umluj, Red Sea

Duration: February 2025 – October 2025

Responsibilities:

- Conducted comprehensive risk assessments and implemented effective control measures.
- Led daily toolbox talks and safety meetings to reinforce safe work practices.
- Ensured compliance with Red Sea Project safety standards and regulations.
- Monitored site operations to identify and eliminate unsafe acts and conditions.
- Supervised use of PPE and enforced strict adherence to HSE procedures.
- Reported and investigated incidents, recommending corrective and preventive actions.
- Prepared detailed HSE performance reports for management review.

HSE Officer

Abdul Mohsen Al Tamimi Contracting Company

Client: Saudi Aramco

Project: Haradh GOSP-3 Expansion Early Works (LSPB)

Location: Al Khobar

Duration: June 2024 – January 2025

Responsibilities:

- Implemented and maintained Aramco-approved HSE management systems.
- Conducted regular site inspections, safety audits, and compliance checks.
- Led incident investigations and ensured effective corrective actions were taken.
- Delivered HSE inductions, awareness sessions, and refresher trainings for all workers.
- Coordinated emergency response drills and ensured readiness of firefighting equipment.

- Competent in Job Safety Analysis (JSA) and safe work procedure development.
- Experienced in incident reporting, investigation, and root cause analysis (RCA).
- Strong ability to develop and monitor corrective and preventive action plans (CAPA).
- Conduct regular site safety audits, inspections, and compliance assessments.
- Implement and supervise Permit to Work (PTW) systems for critical operations.
- Monitor and control confined space, hot work, and working at height activities.
- Conduct daily toolbox talks, safety briefings, and awareness sessions.
- Maintain and update HSE statistics, documentation, and performance reports.
- Conduct emergency drills, fire evacuation exercises, and rescue operations.
- Ensure proper use and inspection of PPE and firefighting equipment.
- Manage waste disposal, pollution control, and environmental protection programs.
- Promote sustainability and energy conservation initiatives on site.
- Ensure full compliance with Aramco, Red Sea, and local regulatory standards.
- Develop and enforce Safe Work Method Statements (SWMS) and procedures.
- Conduct induction training and refresher sessions for all project employees.
- Supervise contractor HSE compliance and ensure adherence to client requirements.
- Prepare weekly and monthly HSE performance reports for management.

- Arabic – **Moderate**
- Punjabi – **Fluent**

- Promoted safe behavior through continuous engagement with site teams and supervisors.
- Monitored contractor performance and ensured full alignment with Aramco's HSE policies.

■ HSE Officer

GUSAT Construction Company

Client: SADARA

Project: Construction of SUB-Tank for Storage

Duration: January 2023 – April 2024

Responsibilities:

- Developed and implemented site-specific HSE plans in line with SADARA requirements.
- Conducted hazard identification and risk analysis before each work activity.
- Maintained proper HSE records, reports, and incident documentation.
- Organized emergency drills, evacuation plans, and first aid training sessions.
- Coordinated with supervisors to control environmental and safety hazards.
- Inspected and monitored safe storage and handling of hazardous materials.
- Supported continuous improvement by analyzing safety performance trends.

■ HSE Officer

RODER Emirates Structures L.L.C.

Project: Construction of Residential Villas

Location: Abu Dhabi, UAE

Duration: December 2021 – November 2022

Responsibilities:

- Performed daily HSE inspections to ensure full compliance with UAE safety regulations.
- Conducted induction and awareness programs for workers and subcontractors.
- Monitored work-at-height and confined space activities ensuring safe execution.
- Investigated near misses and incidents, developing preventive measures.
- Ensured proper waste disposal and environmental control procedures were followed.
- Checked the condition and calibration of fire extinguishers and emergency systems.
- Coordinated closely with project engineers to maintain a safe work environment.

■ HSE Officer

Al Ryum Group of Companies L.L.C.

Project: Construction of Central Park & Villas Community Facilities

Location: Ruwais City, Abu Dhabi, UAE

Duration: November 2020 – September 2021

Responsibilities:

- Conducted safety inductions, briefings, and regular refresher trainings.
- Performed inspections of scaffolding, excavation, and lifting operations.
- Ensured all personnel adhered to company and client HSE requirements.
- Assisted in the preparation and review of Job Safety Analysis (JSA).
- Maintained accident and near-miss registers and followed up on action items.
- Participated in weekly HSE meetings with clients and contractors.
- Promoted awareness of environmental protection and sustainability initiatives.
