## SAIFUL ISLLAM

Foreman Plumber & Pipe Fitter | Certified PTW Receiver

| 📞 +966 509692456 | ✉ Saifulislam8263@gmail.com | 🇧🇩 Nationality: Bangladeshi | 📄 Iqama: Transferable |

### PROFESSIONAL SUMMARY

A highly capable and **results-driven Foreman Plumber and Pipe Fitter** with **over four years of experience** leading technical teams in major industrial and infrastructure projects, including **SPARK** and **NEOM**. Proven expertise in the installation and jointing of diverse piping systems (HDPE, GRP, Ductile Iron, PPR, UPVC, PVC/CPVC) and associated equipment. Fully certified

in safety procedures, holding an **OSHA 30 Hour** and serving as a **SPARK Certified Work Permit Receiver (WPR)**. Seeking a Foreman role to ensure project compliance, quality control, and on-schedule completion.

### WORK EXPERIENCE

#### **1. Plumber & Leadman (Acting Foreman) - SINOHYDRO (SPARK Project)**

**(June 22, 2022 – Present)**

Served as **Leadman/Acting Foreman**, providing direct oversight and leadership to a team of 15-25 plumbers and pipe fitters.

Managed daily work allocation, resource distribution, and ensured quality standards were consistently met for all piping installations.

Executed and supervised complex pipe jointing techniques:

**HDPE Pipe Jointing:** Proficiently performed **Buttwelding**.

**Ductile Iron (DI) and GRP Pipes:** Ensured proper **Rubber Ring joints**.

**PVC/CPVC/UPVC:** Applied various joint methods including **Solvent** and **Rubber Ring joints**.

**PPR Pipe Jointing:** Conducted **PPR Welding** for hot and cold water lines. Oversaw the installation of all portable water line and irrigation line equipment, including: **BV, AV, FM, GV, WO, FH, WM, BGV, MBV** (Valves, Meters, Fire Hydrants, etc.).

Managed specialized technical applications like **Lamination** on underground **FRP structural manholes** and **Stopaq Wrapping**.

#### **2. Work Permit Receiver (WPR) - SINOHYDRO (SPARK Project)** **(September 28, 2024 – Present) | SPARK Certified WPR**

Responsible for receiving, implementing, and managing Permits to Work (PTW) strictly following **SPARK project protocols**.

Functioned as a key link between site crew and safety management,

ensuring all pre-task safety requirements were fulfilled.

Trained and performed duties as a **Confined Entry Foreman/Standby Man** and **Fire Watcher**.

### **3. Plumber - NESMA & PARTNERS (RED SEA Airport, NEOM Project)**

**(January 10, 2022 – June 18, 2022) | On Rental Basis**

Executed high-standard plumbing and pipe fitting tasks within the high-profile NEOM Project.

Interpreted and implemented technical drawings and project specifications efficiently.

#### **CORE COMPETENCIES**

**Foreman Leadership:** Team Management, Work Scheduling, Resource Allocation, Quality Control (QC).

**Pipe Jointing Expertise:** HDPE (Buttwelding), GRP/DI (Rubber Ring), PPR Welding, PVC/CPVC (Solvent Joints).

**System Installation:** Portable Water, Irrigation Lines, and all associated equipment (Valves, Hydrants, Water & Flow Meters Etc).

**Technical Applications:** FRP Manhole Lamination, Stopaq Wrapping, Blueprint Reading.

#### **Mechanical Purpose Training & Certification**

Specialized training in UPVC/Rigid PVC, PVC/CPVC Jointing, HDPE Buttwelding, and FRP Manhole Lamination.

#### **SAFETY & CERTIFICATIONS**

**SPARK Permit to Work (PTW) Authorized Role** (Certified WPR)

**OSHA 30 Hour in Oil & Gas Extraction Safety & Health**

**CPR, AED & First Aid Course**

**Confined Entry Foreman/Standby Man**

**Fire Watcher/Fighter**

#### **EDUCATION & TRAINING**

**Higher Secondary Certificate (HSC)**

Puran Bazar Degree College, Chandpur, Bangladesh.

#### **LANGUAGE PROFICIENCY**

Language	Speaking Level
Hindi	Fluent

English	Conversational
Arabic	Conversational
