PROFESSIONAL SUMMARY

Highly skilled Civil Engineer with +7 years of experience in road construction, highways, hardscape, and landscape projects. Expertise in project management, quality control, and design, complemented by proficiency in CAD software. Proven track record of delivering complex projects on time and within budget while adhering to safety and quality standards. Strong leadership and stakeholder communication skills.

WORK EXPERIENCE

EL SHOROK COMPANY – HIGHWAY ENGINEER

Alexandria, Egypt | 03/2019 – Present

- Led and managed all phases of highway construction projects, from planning to completion, ensuring compliance with contract specifications.
- Coordinated with cross-functional teams to align project goals and meet quality and safety standards.
- Supervised the installation of asphalt surface layers, sub-base, and base layers, ensuring top-quality execution.
- Directed hardscape and landscape activities, including road painting and installation of directional signage.
- Developed and implemented detailed daily and weekly work plans, improving team efficiency and workflow.
- Conducted regular audits to ensure adherence to quality standards and project specifications.
- Maintained comprehensive project documentation and technical reports to support regulatory approvals and inspections.
- Liased with government agencies and consultants to secure project approvals, resolving technical and compliance issues.

AL HOSSAM COMPANY – SITE ROAD ENGINEER

Ras Sidr, Egypt | 12/2017 – 01/2019

- Executed construction and maintenance of roads across multiple zones, ensuring adherence to project timelines and budgets.
- Implemented hardscape and landscape projects, including parking lot construction and landscaping around building sites.
- Produced technical reports and daily progress logs to document project developments and challenges.
- Planning and monitoring the progress of the site and ensuring compliance with the project schedule
- Coordinated with supervisors, subcontractors and workers in all aspects of the project to ensure implementation.
- Adhered to strict timelines, meeting quality assurance targets and expectations.

ARAB CONTRACTORS COMPANY – HIGHWAY ENGINEER INTERN

Cairo, Egypt | 10/2015 – 06/2016

- Assisted senior engineers in road construction projects, gaining hands-on experience in project planning and execution.
- Participated in the preparation of technical reports, contributing to improved project coordination and documentation.
- Collaborated with multidisciplinary teams to meet project objectives and deadlines.
