

Mohamed Rabie Ibrahim Ahmady

Civil Engineer

Personal Information

Nationality: Egyptian

Marital Status: Married

Phone: +966564932593

E-mail: wm.alahmady18@gmail.com

Address: Al-Madinah Al-Munawarah, Saudi Arabia

Career Objective

Civil Engineer with over 7 years of proven experience in infrastructure construction, wastewater networks, and stormwater drainage systems. Skilled in project execution, site supervision, technical reporting, and quality & safety compliance. Seeking to contribute to a reputable engineering organization where I can apply my technical expertise and leadership skills to deliver projects efficiently, on time, and within specifications.

Education

B.Sc. in Civil Engineering

Cairo Higher Institute for Engineering, Computer Science & Management

Cairo, Egypt – 2018

Grade: Excellent (GPA: 3.73)

Professional Experience

- [Advanced Projects Co. Ltd. – Saudi Arabia](#)

Project: Construction of Sewage Networks and Pipelines – Al-Madinah Al-Munawwarah (Al-Mahd Governorate)
