## Career Objective

Seeking a training opportunity in electronics or communications engineering to apply academic knowledge, develop technical skills, and gain practical experience in a professional environment.

## Training Request Letter (Cover Letter)

To Whom It May Concern,

Dear Sir/Madam,

I hope this message finds you well.

My name is Shaker Bostan Alaysh, a graduate of Electronics and Communications Engineering from the University of Hadhramout for Science and Technology. I am

currently residing in Al-Madinah Al-Munawwarah, Saudi Arabia on a visit visa, and I am writing to express my sincere interest in a training opportunity within your esteemed organization.

During my academic journey, I acquired solid knowledge in communication systems, electronic circuit design, solar energy, and networking. I am now looking forward to applying this knowledge in a real-world work environment and gaining practical experience.

I am confident that training with your organization would greatly enhance my skills and contribute to my professional growth. I am enthusiastic, quick to learn, and ready to support your team in any tasks or projects.

Attached is my CV for your kind review. I would highly appreciate the opportunity for a personal interview to further discuss how I can be an asset to your organization.

Thank you very much for your consideration.

Sincerely,  
Shaker Bostan Alaysh
