### PROFESSIONAL SUMMARY

Civil Engineer with over 13 years of hands-on experience in road and infrastructure projects execution. Proven expertise in site supervision, road Construction & Maintenance, and project coordination. Proficient in engineering software such as AutoCAD, Civil 3D, and MS Project for surveying, design, and quantity takeoffs. Committed to delivering high-quality, efficient, and sustainable engineering solutions.

### WORK EXPERIENCE

---

#### Project Manager – Road Construction & Maintenance

SMART IDEAS CONTRACTING EST, Riyadh, Saudi Arabia | May 2023 – August 2025

- Managed preventive and corrective road maintenance, including patching, resurfacing, and road marking.
- Supervised full road construction projects, including excavation, pavement, and drainage works.
- Ensured 100% adherence to safety and quality standards at all sites.
- Monitored material flow and project progress, providing regular updates multiple stakeholders.
- Executed hardscape works, including paved areas, driveways, interlocking pavers, and curbstone installation.
- Reducing projects schedule by 30 % , Reducing projects Estimated cost at least 25 % .

#### Roads Engineer / Site Supervisor

AL-Sayyadi Co., Jazan, Saudi Arabia | June 2021 – January 2023

- Supervised excavation and full pavement works for road construction projects.
- Oversaw the construction of culverts, retaining walls, and safety barriers.
- Managed site logistics and coordinated on-site teams for timely project delivery.
- Ensured adherence to safety procedures and technical specifications.
- Prepared detailed progress reports and monitored material consumption with an accuracy of 100%.

#### Roads Engineer / Site Engineer

Ministry of Public Works, Ibb, Yemen | June 2018 – January 2021

- Supervised road repair projects and stone paving works.
- Designed road profiles and prepared Bills of Quantities (BOQs) using Civil 3D software.
- Coordinated with contractors and government departments to ensure smooth execution.
- Ensured compliance with local regulations and engineering standards.

#### Infrastructure Engineer

ALmojani Co., Ibb, Yemen | January 2013 – January 2018

- Executed infrastructure projects at Ibb University, including water supply and sewage systems, which were among the largest infrastructure projects in the city .
- Managed culvert and bridge construction activities .
- Estimated materials, tracked progress, and ensured timely project delivery according to specifications.

### **Site Engineer – Rural Roads Projects**

Social Fund for Development, Yemen | January 2013

- Supervised more than 20 rural infrastructure projects across local communities.
- Guided field teams and ensured accurate project reporting.
- Liaised with local authorities to facilitate smooth project execution.

## **EDUCATION**

---

### **Bachelor of Science in Civil Engineering (Road Engineering)**

Sana'a University, Yemen

Graduated: 2012

## **CERTIFICATIONS & TRAINING**

---

### **Roads Networks Management**

Saudi Council of Engineers (SCE)

Attended: September 7–11, 2025

### **Construction Management Project.**

Saudi Council of Engineers (SCE) ,Attended from October 13, 2024 to October 17, 2024.

### **Introduction to Project Management Professional with Artificial Intelligence.**

Webinar by Creativity House Training Center.

Attended on May 3, 2024.

### **Membership & Professional Accreditation Certificate (Professional Classification).**

Saudi Council of Engineers (SCE).

Membership No.: 857927 – Specialization: Civil Engineering.

Valid from May 30, 2022 to May 30, 2026.

### **Setting Specifications and Counting Quantities for Projects.**

Al-Jazeera Center for Training – Ibb, Yemen.

Attended from January 1, 2017 to January 3, 2017.

### **AutoCAD Civil 3D – 30 Hours Training Course.**

Dimes Engineering Training Unit – Sana'a, Yemen.

Attended from February 23, 2013 to March 30, 2013.

Grade: Very Good (82%).

### **Bachelor's Degree in Civil Engineering.**

Sana'a University – Yemen.

Graduated in 2012.

### **Autodesk Land Desktop.**

Al-Masar Technical Institute – Ibb, Yemen.

Attended from July 2, 2011 to August 3, 2011.

Grade: Very Good (86%).

## **Software SKILLS**

---

- AutoCAD
- Civil 3D (Road Design)
- MS Project (Project Management)
- Land Desktop (Road Design)
- Google Earth
