## PROFESSIONAL SUMMARY

Experienced Environmental & Sustainability Manager with over 14 years of expertise in developing and implementing sustainable practices and compliance strategies. Skilled in conducting environmental impact assessments, managing regulatory compliance, and fostering stakeholder engagement. Proven ability to lead cross-functional teams in driving environmental initiatives that enhance operational efficiency and reduce ecological footprints. Committed to promoting sustainability and protecting natural resources through innovative solutions and effective project management.

I have good oral and written skills and the ability to collect, control, validate and interpret Environmental data as per client standards.

## OBJECTIVE

I am looking for the environment where I can polish my technical and interpersonal skills in a well-organized manner. Willing to work in pressure, be able to work as a team.
