ACADEMIC PROFILE

- **Faculty of Engineering – Mansoura University.**
- **B.sc degree in Mechanical Engineering May 2009.**
- **Project Gas Turbine Power Plant Design.**

PROFESSIONAL CERTIFICATION

- Project Management Professional (PMP)®
- Certified Maintenance & Reliability Professional (CMRP)

TRAINING COURSES

- Project Management Professional (PMP)®
- Certified Maintenance & Reliability Professional (CMRP)
- PLC (Programmable logic Controller).
- Power Station (Production and Electricity Generation).
- Internal Combustion Engine.
- Cooling & Air conditioning.
- Basics of Machine Design.
- Operation Research.
- Gas and Steam Turbine.
- Internal Combustion Engine Performance.
- Steam Technology.
- Fuel and Oil Systems.
- hydraulic systems & Hydraulic Machine.
- Training in Egypt Air Company (Central Air conditioning systems).
- Training in Mahala Company for Spinning and Weaving (Training on all types of air compressors and power plants, steam boilers).
- Training in Delta Company for the Production and Electricity Generation (Talkha) (Training on all types of power plants in operation, private control).
- Training in Egyptian International Motor company on Equipment BOMAG (Light Compaction Equipment, Asphalt Products, Soil Compaction Products, Cold Milling, Recycling and Stabilization & Sanitary Landfill

Management).

- Training in Egyptian International Motor company on Cummins Power Generators & Cummins Engine.
- Training in Egyptian International Motor company for **Pumpex** pumps and SMI (Saudi Mechanical Industrial) for pumps, and Rainbird irrigation is the artificial application of water to the soil through various systems of tubes, pumps, and sprays.
- Training in Egyptian International Motor company on Turbocharger Servicing (Garrett & BorgWarner Turbo Systems).
- Training in Egyptian International Motor company on Mahindra Tractors.
- Training in Egyptian International Motor company on Hyundai Special Vehicles (Bus, Luxury bus, Special purpose vehicles & Trucks)
- Training in Egyptian International Motor company on Equipment KOMAT'SU (Bulldozers, Engines, Engines Generators, Backhoe Loaders, Wheel Loaders, Excavators, Road Cutting, Motor Graders).
- Certification Of Agile Project Management from HP global online.
- Certification Of The Basics of Scrum Approach Project Management from Project Management institute.
- Certification Of Generative AI Overview for Project Managers from Project Management institute.
- Certification Of Basics of Disciplined Agile™ Online Course for Project Managers from Project Management institute.
- Certification Of Business Continuity course for Project Managers from Project Management institute.
- Certification Of PMI Citizen Developer™ Business Architect: CDBA Introduction for Project Managers from Project Management institute.
- Certification For attending Sustainable Heating and Cooling Solutions in KSA and its Impact on Saudi Citizens from the Training and department of Saudi Council of Engineers.
- Certification Of LV Motor Starting, Control, and Protection Solutions from the Training and department of Saudi Council of Engineers.
- Course Training for Centrifugal Pumps: Inspection and Maintenance from Watura E- learning platform.
- Course Training for Energy Management for Pumping from Watura E- learning platform.
- Course Training for Pumping Specifications from Watura E- learning platform.

WORK HISTORY

- Work in Al-Saman to Industrial and Procurement Engineering Company In The Summer of 2008(Maintenance Engineer) .
- Work in Al-Shehab Dyeing & Finishing Company (Maintenance Engineer) From 07/2009 to 01/2010.
